"SERVE ONE ANOTHER THROUGH LOVE."

—GALATIANS 5:13

May  
WEDNESDAY **26** AT 10:00 AM

1982  
Narsapur at Bethany Chapel

Truly great men do not look for accolades. Genuine greatness is not motivated by external rewards, praise, or recognition. It is instead driven by an internal sense of purpose and a desire to serve and uplift others. Truly great individuals are marked by their humility, rather than their hunger for fame.

Our marriage proposal was initiated by **Dr. & Mrs . C. R. Prabhakar**, Superintendent, Narsapur Christian Hospital and **Dr. L.K. Thomas** who knew **Moses** for a number of years. Their Father **Mr. C. K. Thomas** was the eldest son of my Grand Father renowned lace Business icon **Mr. Chadalavada Jonah** & my Mother **Mrs. Elsie Premavathi** was his youngest daughter.

My Dad, **Mr. T P Solomon Raj** had a long distinguished career as an Administrative Head of various Public Sector firms & retired as Chief of Administration, Bharat Heavy Plates & Vessels, Visakhapatnam. We are 4 sisters & my parents raised us in a very sheltered, protective environment. I studied in a convent right from Kindergarten through college and had very little exposure to outside world, naive & immature. I got married the day after my final exams at the age of 21 Years to a self made man, a perfectionist, 14 years older, who created his own path of success with resilience, commitment to high standards, strong sense of purpose, passion for work, not afraid to take calculated risks to drive innovation & excellence.

The wedding was celebrated in all its grandeur on 26<sup>th</sup> May 1982 at Narsapur at Bethany Chapel where my parents also were married as my mother was the youngest daughter of **Mr. Chadalavada Jonah**. **Rev. Dr. P. Vijay Kumar**, Pastor, House of Prayer, Kakinada delivered the Wedding Sermon. The Bridal march song 'సాలోమోను పల్లకి' composed for the occasion by **Rev. R.R.K. Murthy** was sung by **Dr. John Bilmoria** a close friend of **Moses** since his college days. I walked down the Aisle on my Dad's arm, a time honoured tradition, a symbolic gesture of love & support representing the transition from the father's protection to the groom's care, held so much meaning and carried emotional significance.

**Rev. R.R.K. Murthy** Solemnized the wedding & as part of the traditional wedding ceremony, he asked the question "Who giveth this woman to be married to this man?" My dad stepped forward, father entrusting his daughter's well-being to her husband, said "I do " & as he placed my hand - I still remember with a firm steel grip **Moses** held my hand as we exchanged the sacred Marriage vows.

*"to have and to hold from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, to love and to cherish, forsaking all others, 'til death do us part ..."*

The vows exchanged are a profound expression of commitment and faith, acknowledging the divine aspect of marriage, emphasize the lifelong and indissoluble nature of the marriage covenant, laying a spiritual foundation for a lifelong journey.

**Moses** held in high esteem the role of a Husband as the Head of the family with authority & responsibility to love, cherish, nurture, protect, provide for and I deem it an honour and a blessing as he accomplished his role as Husband, Father with accountability before God. So he took head on, my entire responsibility & didn't trust my judgement & instincts. Everything had to be his way to his liking. - very little choice was left to me. He used to read me like an open book. Most often He wouldn't even give me an option to decide. - from the choice of the Jewellery, to the colours of sarees that I wore - hand picked by him - simple, elegant designs. Never liked anything heavy or flashy.

Initially I tried to resist his overbearing, possessive attitude but it got me nowhere as he ignored my protests with his dominating, distinctive, judicious, decisive decisions analyzing the available alternatives or he would simply brush it aside with his all familiar signature smile. Ultimately I gave up as I valued his deep love, concern for me, our two sons & always at any cost he provided the best.

**Moses** was very protective towards me & created a sense of security & care. He wanted me to keep away from the spotlight, attending any public events, meeting parents, visitors etc but to dedicate my time & effort in raising our sons & in administering the school effectively as his business schedules kept him away from home considerable time. He was never comfortable with me leaving home & permitted me only to visit my parents for a week to 10 days.

It was very challenging to me to adjust to his life style of orderliness, meticulous monitoring, highest standard of cleanliness, perfection to every small detail, uncompromising attitude, everything had to be in its place & above all at his outbursts of anger & intolerance of imperfections. Slowly I was able to understand his point of view which is far ahead than most of us think. He used to set seemingly impossible targets which had to be reached within his deadlines. We the administrative team had to organize, motivate the staff and set realistic milestones, track progress & gear up the organization to meet Founder's high order of thinking. When it comes to his turn of final inspection very rarely he passes it. He points out to a host of fine details which had to be rectified within the next couple of hours however late into night it goes. When we breathe a sign of relief having accomplished one target he is already planned the next & gets us chasing it. That is his speed, dedication.

**Parents with Dr. & Mrs. CR Prabhakar

**Dr C R Prabhakar**  
Superintendent, Christian hospital, Narsapur

**Moses** childhood was influenced by the dedicated Missionaries from England, Scotland, Australia, USA, Canada who served in the Godavari Delta Mission Field. Missionaries played a pivotal role in the establishment of educational institutions and Hospitals ,promoting literacy, social equality, rights of marginalized communities contributing to India's broader social justice movement. The profound impact of the life of missionaries, their deep commitment to prayer, faith in God, passion for mission work laid the foundation for time less lessons to lead a purpose driven life.

His Father **Joseph Sikile** worked in the home of Dr & Mrs. Short ,missionaries from England who established the Leprosy Hospital in Narsapur. He valued the interactions he had with them during traditional yearly Christmas Lunch. He used to attend Sunday School conducted by Ms. Morgan & later at Bethany Chapel conducted by Pastor P Lazarus. He was an active member of EU.

The dedicated & prayerful life of his Mother **Pushpamma Sikile** had a great influence on **Moses**. When **Moses** was 20 years ,while doing his graduation ,his Father Joseph Sikile passed away in 1967. As the eldest son he immediately took the role of a Father, Provider to his Mother **Pushpamma Sikile** & his 4 younger siblings. He then took a decision to go abroad & left India in 1970 and ventured into the Global profession of Insurance Brokerage. God blessed him & he prospered. He was untouched by wealth & riches but was a faithful Steward and managed his resources with integrity, diligence, and a sense of responsibility. He took care of his family's every need back home in India & established his siblings in their careers as per their choice.

Sister Miriam – Nursing – Passed away in 1976,

Sister Elizabeth - Graduation, Performed her wedding in 1980 with Dr. John K.K., built a home for her.

Brother Percy Paul - M.Com.,M.Ed, - Performed his wedding in 1983 to Nalini Ratnam.

Younger Brother - David Prabhakar - graduated from Spicer College, Pune - Passed away in 2005.

**Moses** was an exceptional father. We are blessed with 2 Sons. Older son, **Joseph Solomon Sikile** - named after both paternal & maternal grand Fathers & Younger son **Emmanuel Pushpakanth Sikile** - named after his mother **Pushpamma Sikile**. Both studied in J Sikile School from Kindergarten through grade 12 & went to US & completed their Under graduation & Masters in Finance.

He took his role as a father a sacred responsibility. However busy he was with his business schedules he gave them his quality time & was actively involved in every aspect of their upbringing. He guided them at every step of their careers with consistent discipline, value for Money and built a strong foundation for their emotional, social, and intellectual development. When he was outstation he used to call them at least 3 times a day & enquired about their days events, routine which he continued even till the end.

**Martin Luther King, Jr.** famously said: "I think that my strong determination for justice comes from the very strong, dynamic personality of my father... I have rarely ever met a person more fearless and courageous than my father... The thing that I admire most about my dad is his genuine Christian character. He is a man of real integrity, deeply committed to moral and ethical principles"

**Sisters, Brothers in law**

**Brothers Percy Paul, David Sikile**

**Sister Elizabeth, Brothers**

**Mother Pushpamma Sikile**

Both our sons - Joe & Emmy, reminisce fondly about their Dad who was a mentor, nurturing, supportive and consistently present in all aspects of their life, offering advice to navigate life's challenges, to step into uncertainty with faith & courage, never compromise on the principles of Justice and always keep family's best interest at heart.

We are blessed with 2 grandchildren. The bond between grandparents and grandchildren is unique and cherished, filled with love, wisdom, shared experiences provide the best advice in life and is crucial in passing on family traditions and values. Grandparents are the cheerleaders & their validation and encouragement hold a special place in a grand child's heart. Eldest grandson **Moses Sikile Jr.** who is now 8 years old, inherited a lot of his grandfather's perception, analysis, memory & his signature style of doing things. **Moses** was very fond of his grandson & used to enjoy watching his daily routine, getting into debates, arguments, interactions with him & inspiring him to do his Masters & Doctoral program in Economics from London School of Economics. We are blessed with grand daughter **Grace Sikile** who is now 3 years old. **Moses** had great affection for her & always wanted to keep her happy.

**Moses** led a very disciplined life, followed a structured daily routine, and a commitment to achieving goals through focused effort. He would rise early, goes for a brisk walk for about 45 minutes & takes his morning drink of warm water with Lemon & Honey. He speaks to our sons **Joe & Emmy**, makes business calls, keeps in touch with close friends.

He then watches the **International & Business News on BBC & CNN** & takes his morning cup of coffee. These news outlets provide a broad perspective, diverse viewpoints, and in-depth analysis, fosters global awareness, crucial for understanding the world and how it impacts local communities.

He always encouraged our sons, Hostellers to watch every day the international News morning & evening to develop critical thinking skills, evaluate information more effectively and a valuable tool for improving English language skills - listening, comprehension and vocabulary.

**Moses** meticulously maintained his work Diary, elevating his organizational skills and productivity. Every morning he updates his diary of the work completed as per the previous day's planned sheet & writes down to-do's, details, insights, meetings, appointments, tasks, relating to work. As a brilliant strategist and a sharp thinker, he would meet the time schedules with precision irrespective of the volume of work.

In fact he expected every employee both at school and Foundation to maintain a work diary. On the January First of every calendar year it is his practise to send a Diary to the Director, Correspondent, Principal, Vice-Principal, Helpdesk, Accounts office of both School & Foundation, all the Campus supervisors and Hostel wardens expecting them to maintain their work schedules & discharge their responsibilities effectively.

Along with the Diary he also sends a copy of 'Our Daily Bread' Annual devotional book to Principal, Vice-Principal, All Departments, Boys & Girls Hostels. Successful parenting & upbringing of children begins with instilling fear of God. All Hostel students were also given as per their age Annual copies of Devotional books 'God & Me', 'Daily Power'.

**Moses** valued his quiet consistent devotion time in the mornings to submit, surrender to the transformative work of God. He would close the door after his morning routine for over an hour for taking his shower & spending time in his devotions. Oswald Chambers (1874-1917) was a Scottish Protestant Christian minister and teacher, best known for his devotional book, 'My Utmost for His Highest.' Chambers ministered internationally, including in the United States and Japan, and served as a chaplain to British troops in Egypt during World War I. He died in Egypt in 1917, and his wife, Biddy, compiled and published his writings, including My Utmost for His Highest, which became widely popular.

"My Utmost for His Highest" by Oswald Chambers is a highly influential Christian devotional that has profoundly impacted **Moses** by encouraging a deeper, more practical, and daily pursuit of God. Its effect stems from its challenging yet inspiring message of wholehearted devotion to God and its practical application to everyday life. The book's daily meditations, based on biblical passages, prompts to examine our relationship with God and explore the implications of our faith in practical ways. It highlights the need for ongoing surrender, trust, and love in the Christian journey, encouraging us to give our best for God's highest purpose. The devotional helps us to connect our faith with our daily lives, showing how to live out our beliefs in practical ways, even in the midst of challenges and ordinary circumstances.

**Moses** firmly believed & adopted a life of simplicity. In character, in manners, in style, in all things, the supreme excellence is simplicity. He always wore custom made clothing stitched to his style with a perfect fit by custom Tailors both in India & abroad. His signature style is white shirt with grey / black Trouser as he didn't want to waste his time every morning in choosing what colour Shirt/Trouser to wear. He would get 6 pairs stitched at a time & changes them every 6 months & at the same time his old sets were given away. Most of the office staff used to wait for their turn as they are all as good as new. Every morning before his shower he takes his neatly laundered full set of clothing - white shirt / Grey Trousers / undergarments, pair of socks, white Handkerchief & a white Towel. The entire set would be given for laundry the following day which should be returned as a set again in the evening. Before he sleeps he checks the laundered set & arranges them in his cupboard.

All his personal items - office bag, wallet, cross pen, comb, watch, eye glasses are handled with extreme care & keeps them back in their place after use. I don't remember him losing or misplacing any item. His Titan watch is 35 years old - not a single scratch & now his grandson **Moses Sikile Jr.** has kept his Tatha's personal items as his treasured souvenirs. Even when he visits the best of the shopping malls both in India & abroad he never gets tempted to buy anything that he doesn't need. His rule for life "**Buy what you need & use what you buy**".

His diet is simple & has his set timings. He does not compromise on the taste. His plates, water glasses, cups, cutlery have to be sparkling clean & are kept aside for him exclusively. His white hand towels have to be changed everyday. He is a great thinker & almost takes an hour to complete his meals & his plate is clean, not a grain left. He serves what he needs & never likes to waste food. The house hold servants, cooks were trained to attend to his needs & most of them have served the family faithfully for over 40 years. **Moses** also in turn has compensated them generously for their personal, family needs, children's education, their marriages etc.

The spark of the idea that ignited the Foundation of **J Sikile School** came from a simple dedicated Mason. The present junior block of the school originally was built to store Paddy grain. **Moses** was watching construction work brick by brick & enjoys interacting with the labour & the Masons. One of the Masons who was uneducated told him.. 'Sir this looks like a school building.. Why don't you start a good English medium School in our town?' This thought lingered & captured the attention of **Moses** as the transformative power of Education fuels economic growth by providing a skilled workforce, fostering innovation, and driving productivity.

**Rev. Dr. P Vijay kumar**, House of prayer, Kakinada

**Rev. R R K Murthy**

What started as a simple idea quickly blossomed into a renowned institution & played a significant role in shaping the nation's intellectual landscape in rural area, producing outstanding individuals who have contributed significantly to society spanning over 40 decades & continues to stand tall, nurturing the leaders and scholars of tomorrow.

**Moses** believed in the transformative power of education, not just as a tool for personal success but as a means to uplift society. His love for his hometown and people was evident in everything he did. His passion for society & education was more than a mission. It was his life's purpose. He built **SIKILE** as a beacon of hope, a place where dreams could take flight and where every individual could find their path to greatness.

**Moses** left no stone unturned as he embarked on this journey & upheld a legacy of academic excellence and character building for generations. He poured in all his financial resources, time & effort. He did not take any Bank Loan nor a single rupee as a donation from anyone. He established **J. Sikile Foundation** in 1983. He availed the services of renowned professionals. His Advocates & Solicitors were King & Patridge the oldest and also one of the largest British law firms in Chennai and his Auditors were Fraser & Ross, Chartered accountants predominantly known for Audit & Tax services.

He inducted experienced Educationists as members of the Board. He often had series of discussions regarding the infrastructure required & the best educational practises to be adopted with **Ms. Jessie Moses**, Correspondent of about 5, CSI Schools in Chennai, Mr. C Ram Mohan Doss, Deputy Director Madras Port Trust, Mrs. Margaret Mudhaliar, Principal, Bains School who was also the Chairperson of **J. Sikile School**. Technicians, Contractors from Chennai were employed. In order to have the best faculty interviews for Teachers were conducted in Chennai & residential facilities were provided for them.

He always took the opportunity to visit well established educational institutions even during vacations when our kids were small, to pick ideas on the ambience, administrative set up, infrastructural facilities etc. Ooty and Kodaikanal, known as hill stations in Tamil Nadu, are home to several elite schools, both day schools and boarding schools. We visited Lawrence, Hebron, Good Shepherd schools in Ooty & schools in Chennai like Bains, SBOA, Ewatts, Loyola College, Ethiraj college, Bishop Cotton school in Bangalore & Timpany School in Visakhapatnam.

Apart from secular leaders & politicians who were invited to the school, **Moses** sought the blessings of ordained clergy - Bishops, Moderators to dedicate the infrastructure & facilities of the school for the glory of God. The school was blessed to have the following men of God.

1. The School was inaugurated on 19th JUNE 1984 by Rt. **Rev. T B D Prakasa Rao** M.A., B.D.,B.Ed the then Bishop of Krishna Godavari Diocese, Church of South India Vijayawada who unveiled the inaugural stone & dedicated the school for the glory of God.
2. The Computer centre was dedicated to the glory of God by **Rt. Rev. Dr. P Victor Premasagar**, M.A., B.D.,PhD., Bishop of Medak & Deputy Moderator of the Church of South India on 05. 02. 1987. He also conducted retreat for staff on several occasions.
3. A stone tablet was dedicated to the memory of **Joseph Sikile Sr.** father of the Founder **M.J. Sikile** who passed away on 9th September 1967. It was unveiled by **Rev. Dr. K Nathaniel, President AELC, UELCI on 06th August 1987.**

Safety measures at school were of paramount concern for him. The school is well equipped with first aid room and trained Nursing staff who provide immediate medical assistance in case of injuries or illnesses. He placed a strong emphasis on safety guidelines and protocols to maintain a secure learning environment at school. **Moses** was a person with great forethought. Even when the vehicular traffic was not this heavy back in 1993 he had this vision of erecting **Traffic Barriers** to control traffic flow, pedestrian safety, and preventing accidents. He met the Commissioner & Director of Municipal Administration, Hyderabad & presented in detail his concern to take adequate Child safety measures against speeding vehicles in School Zone. The commissioner gave his positive response immediately to his request & granted the special permission to install **Traffic Barriers** at the school.

When **Moses** is in town he makes his daily inspection visits to the School & Hostel Campuses which are red alerts & every employee is on their toes right from the security guards at the gate to the Principal. He has a photographic memory & checks on all the repairs, maintenance, corrections pointed during his last visit. Nothing is forgotten & no excuse is accepted. One cannot keep pace with his brisk walk & the supervisory staff, sometimes Principal are scrambling behind him unable to match his speed. If any work is undone or not done to his level of expectation or deliberate negligence or if values are compromised they would face the onslaught of his anger. They would be given just a couple of hours to meet their deadlines & he would reinspect the work however late at night it gets. He never compromises on the truth. At the outset if they tell the truth he is ready to give them a new beginning however grave the default is. But when he observes the body language & senses that truth is compromised it takes a long time for that person to regain his trust. He further increases the checks & balances.

**Moses** adopted a sturdy Financial model, paid close attention to the daily reports of income, expenditure, cash flow statements of Accounts office as the critical pillars supporting a healthy financial strategy. The Purchase Department & Accounts office have to strictly adhere to the methodical procedures of book keeping. He used to keep a close track of the Financial indicators which project how the organization is advancing. He would gauge the performance and when there were flash warning alerts he would take corrective measures & steer clear of risks.

**Moses** held in highest honour every thing that is related to God. He kept his Bible in a designated place & never allowed it to be kept at foot level, always at an elevated position. He holds the Bible himself and rarely gives it to anyone unless he had to leave for any appointment immediately after church. He would first check if the driver's hands are clean & he should hold the Bible & nothing else in his hands. He would repeat the instructions on where he has to keep the Bible in his room. After he returns he would check if it is kept correctly else he would call the driver & demonstrate the position of how to keep it on his table.

Generosity is close to the heart of God. Biblical generosity takes the focus off giver and places all of the glory on God.

Scripture emphasizes God's deep concern for the poor, oppressed, and marginalized. Caring for the poor is central to authentic Christian faith—The Bible repeatedly speaks of God's concern for the poor and oppressed. It portrays Him as the defender of the poor and an advocate for social justice. It praises acts of generosity and sacrificial giving. It calls on us to give cheerfully and generously to others, knowing that God will provide for our needs in return.

#### **Proverbs 19:17**

*Whoever is generous to the poor lends to the Lord, and he will repay him for his deed.*

#### **Proverbs 22:9**

*Whoever has a bountiful eye will be blessed, for he shares his bread with the poor.*

#### **Psalms 112:5**

*It is well with the man who deals generously and lends; who conducts his affairs with justice.*

#### **Proverbs 14:31**

*"If you mistreat the poor, you insult your Creator"*

The foundation of biblical stewardship is the understanding that God is the ultimate owner of everything. This recognition had been the guiding factor for **Moses** on his perspective on possessions, work, and relationships. We are not owners, but rather caretakers or managers of what God has entrusted to us.

**Moses** honoured Biblical stewardship, recognizing God's ownership, accepting responsibility, being accountable to God for how we manage what He has entrusted to us. This includes our time, talents and resources.

We are all stewards of the resources, abilities and opportunities that God has entrusted to our care, and one day each one of us will be called to give an account for how we have managed what the Master has given us.

Every faculty you have, your power of thinking or of moving your limbs from moment to moment, is given to you by God. If you devoted every moment of your whole life exclusively to His service, you could not give Him anything that was not in a sense His own already.

– **C. S. Lewis, Mere Christianity**

**‘Leadership Is Stewardship. - Bill Peel**

**John Wesley**, the founder of Methodism, famously instructed Methodists to "earn all you can, save all you can, give all you can".

**Moses** embraced that principle & funded generously God's work and cared for widows, Orphans, the sick. When he hears of death in any family especially fathers, his thoughts would go to their children & he would enquire "How are the children.? How old are they..? He would immediately offer the support they need, sponsored their Education even up to their marriages. He paid for the funeral expenses for those who couldn't afford for their loved ones. He liberally contributed for the ongoing treatment of cancer & terminally ill patients.

In biblical times hospitality was a moral duty, a sacred obligation where people feel valued, heard, and cared for in their entirety. It mirrored God's covenant commitment to Israel and sharing a meal was seen as establishing a bond of peace. **Moses** generously extended hospitality. Our home was open to host preachers, musicians who were invited to attend gospel meetings, conferences in & around Narsapur.

The Bible teaches, yea God commands, that we reverence Him. Scripture is full of admonitions about the pursuit of reverence. 'Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe'

Hebrews 12:28. John Calvin described reverence as the place where joy and fear are held together the kind that cultivates awe and respect when contemplating God's holiness, nearness, grace and power.

Sundays were very special to **Moses**. Leviticus 19:30 says "Observe my Sabbaths and have reverence for my sanctuary. I am the LORD." He avoided any travel plans on Sundays. He used to prepare on Saturdays for his worship on Sunday. He kept his offering in white envelopes. He also prepared his envelope of 50 Rupees notes which are kept ready by the office Attender to be given to the leprosy patients & the poor who wait outside the Bethany Church gates as they beg for alms. He used to give over 2000/- rupees every week & doubled the amount during festivals like Christmas, New Year & Easter. All of them used to stand up with beaming faces & greet him with joy when he used to enter the church gates as they valued & appreciated his generous gesture.

He used to attend **J Sikile Chapel** service first at 9:30 am. He checks the ambience of the chapel when he enters & immediately rectifies the errors with the Sexton on duty. He reads through the program sheet with attention to details, punctuation, grammatical errors. He expects the Bible reading by students to be read with correct pronunciation, punctuation & intonation. Chapel speakers should attend the service on time.

He notes down all the errors on the program sheet & sends it to the Chapel coordinator the following Monday promptly & follows up with the correction list. After the sermon & offertory song he used to leave to Bethany Chapel.

Grand Son : **Moses Sikile Jr.**

Bethany Chapel, the church that **Moses** grew up with from his childhood was very dear to him. He attended Sunday School, worship services even when the Founder **Mr. Chadalavada Joseph** & his brother **Mr. Chadalavada Jonah** my grand father, their families, missionaries who served in Narsapur participated in the worship & experienced the glory & presence of God. **Moses** enjoyed the English carol practise sessions with **Dr. Siromani** wife of Founder **Mr. Chadalavada Joseph** who trained the youth Choir on her organ for the English Christmas carol service every year. He was aware of the guiding principles and values of the Founders in establishing Bethany Chapel who have also liberally donated 22 acres of wet land & burial ground which would provide a stable source of income significantly contributing to the church's financial viability.

**Moses** was an exceptional visionary leader, a planner, an organizer, influencer, and he brought people together towards a goal. In the summary of the recorded minutes of the Bethany council held on 26.01.16 he outlined the bold, courageous initiatives he took on August 05, 1990 when the Bethany Chapel doors were closed for Sunday worship. He sought the intervention of the, then R.D.O & got the church doors opened for worship. After the conclusion of the service the Sextons Jeevaratnam & Krupavaram handed over **Rs.590/-** only to the elders of the church & with no other source of income either from the Fixed Deposits nor the 22 acres of wet lands which were in legal entangles.

There was no turning back & **Moses** dedicatedly embarked on the journey of over **25 years** of preserving the properties of Bethany Chapel & restoring it to its former glory. Structural renovations of flooring, roofs, compound walls, staff quarters, open air dias, cycle shed, compound wall of the burial ground etc as per the need & requirement were done. He also enhanced the salaries of the sextons, Pastors & evangelists involved in the ministry and poor fund from Rs.5/- to Rs.200/ each for 100 poor people. He organized VBS, revival meetings for women, Youth for spiritual renewal in nurturing the word of God. He courageously faced legal battles in the forefront in his fight for justice in preserving the properties of Bethany Chapel. He painstakingly took all precautions in restoring the infrastructure with all the renovations required for a **90** year old building which stands the test of time. He handed over the Church fully renovated and with all the properties intact with cash balance of over **31,50,000/-**. The generous contribution of **Moses** in Finances, time & expertise should go down in the annals of the history of Bethany Chapel in gratitude & remembrance.

**Moses** was very **proficient in English language**. Though he studied in Mission High School with Telugu as medium of instruction, he consciously cultivated this mastery of English language and expression. He would refer to Dictionary & Thesaurus immediately for any clarification & carried the digital Dictionary always in his pocket. He arranged a copy of Dictionary in the office of the Principal, HR Dept & expected the typist / data entry operator to refer to Dictionary for any letter drafts regarding spellings.

In the School he made it mandatory to allot first 5 minutes in any subject for loud reading practice so that children can read with clarity, correct pronunciation & intonation. When our children were in school to enrich their vocabulary they had to learn every day at least 3 new words - refer them in the dictionary write their meaning & a sentence using the word. This practice had strengthened their vocabulary, communication skills & they were able to score well in International English proficiency exams like TOEFL & IELTS for their admissions into colleges abroad.

**Moses** would require at least 10 drafts to finalize any letter & way back in the 80's & 90's when we didn't have the ease of computers the typist had to retype each draft until he approved it. The School daily reports submitted by the Principal & the Financial reports submitted by the Accounts office are read with careful attention to details. Spelling errors, grammatical mistakes are not tolerated & are highlighted as it damages the credibility of an individual & the organization. Principal who presented the report is immediately called online & checked in no uncertain words that he does not expect such errors to be repeated again.

**Moses** never compromised on Justice. "Fiat iustitia ruat cælum" is a Latin legal phrase, meaning **"Let justice be done though the heavens fall."** The maxim signifies the belief that justice must be realized regardless of consequences. The path to justice demands courage and conviction. He had an unwavering commitment to fairness and righteousness, refused to make concessions or trade-offs that would undermine the principles of justice. He upheld moral and legal standards without exception, even in the face of pressure or adversity.

**Moses** was very skillful in drafting legal documents which required a deep understanding of the relevant laws, regulations, and legal principles. He had the ability to present the cases with clarity & precision and communicated complex legal concepts in a concise and unambiguous manner, while maintaining legal accuracy. The document is logically organized & avoids unnecessary words, repetitions, and superfluous information. He paid close attention to grammar, punctuation, and spellings to ensure accuracy and professionalism. He carefully proofread the documents for errors and inconsistencies. Even Senior High Court Advocates expressed deep appreciation & valued his presentation of the cases.

## His Legacy Lives on

**Moses** was an avid reader both professional books, magazines related to Finance, Banking, Insurance, Management books of Peter Drucker, John Maxwell also spiritual books of authors - Oswald Chambers, Rick Warren's 'Purpose driven life' Imitating Christ 'by Thomas A Kempis, 'Praying Successfully' by Charles Spurgeon, 'God will meet your every need' - The Spiritual secret of Hudson Taylor etc - a whole library of books. Before he boards a train he picks up 'Economics Times' - Magazine on Indian Economy, International Finance news, Share market & all other matters related to finance. He is upto date with Banking regulations, interest rates & expects his bankers also to implement all current regulations with speed & efficiency. He never tolerated any slackness in Banking operations & used to raise his concerns immediately with the regional & central offices of the Banks as per the privileges of an Elite customer.

God considers us the apple of His eye - and warns against those who would seek to harm us. Proverbs 24:16, "For though the righteous fall seven times, they rise again." This resilience, this courage to keep rising, defines the journey of **Moses**. He faced innumerable trials, set backs in his life. Though he was beset on all sides with relentless attacks by those who sought to destroy him, nothing deterred him. His persistent faith & reliance on God who is truly sovereign over all things helped him to rise to new heights. He had steadfast confidence in God's providence. He chose never to give up hope but focussed on the greater vision that is not a reality yet with his implicit trust in divine power, protection & guidance.

**Moses** faced courageously every challenging situation- Bold as a lion. To him criticism was an inevitable part of life. He handled criticism effectively. Destructive criticism never tore him down & cultivated resilience by focusing on his mission and ignored negativity. Crisis management was his strength. He would remain calm and decisive under pressure. He acts quickly to mitigate damage that threatens our organization's operations, finances, or reputation and his response was critical to the outcome.

**Psalm 4:8**, which reads, *"In peace I will lie down and sleep, for you alone, Lord, make me dwell in safety"*.

**Isaiah 26:3** *"You will keep in perfect peace those whose minds are steadfast, because they trust in you"*.

**Proverbs 3:24** says, *"When you lie down, you will not be afraid; when you lie down, your sleep will be sweet"*.

**Moses** used to sleep like a baby.. always enjoyed a good night's rest . During the innumerable travels that he undertook he would peacefully rest through the journeys. God honoured his implicit faith in Him & miraculously rescued him from every mortal danger through divine intervention.

**Moses** has left an enduring legacy shaping the history & guiding principles of the work ethics of the **SIKILES**. He was not honoured in his own home town but the transformation that he brought in the educational landscape of East & West Godavari Districts is immeasurable as we see the impact of the Alumni globally.

### **James 1:12**

Blessed is the man who remains steadfast under trial, for when he has stood the test he will receive the crown of life, which God has promised to those who love him.

**Moses** had the blessed hope of receiving God's applause "well done good & faithful servant" and receiving his crown of life.

**Moses** did not pause to look back at the impact of his labour but towards the end of his remarkable life he was moved with tears & was emotional when he watched the Kindergarten graduation 2024 which was captured by our school photographer Pradeep. During his 75th Birthday celebrations both in India & abroad as commendations were read & presented he was moved with tears of joy.

I deeply miss **Moses**, the towering strength of my life and grieve his absence. He was a faithful steward of God's purpose & providence. I cherish the valuable 42 years of shared life with him and amazed at the great work, God accomplished through one chosen individual **MOSES JOSEPH SIKILE** who fulfilled God's mission & purpose in his life.

I thank God for his inspirational life of service & the fitting tribute for him is to continue this great mission that God has now entrusted to all of us with the hallmarks of **Moses** accountability in our area of responsibility as administrators, parents, teachers, students & members of the board.

## Joseph Solomon Sikile - Tribute to his Dad - Founder M.J. Sikile

My dad was born on March 12th 1947 to Joseph and Pushpamma Sikile. He was the oldest of 5 children and was born into a family of very ordinary means. My grandpa worked as a domestic helper in a Missionaries' home and my grandma was a homemaker. I never had the opportunity to meet either of them and I'm not sure why or how my grandparents decided to name my dad - Moses - but I do believe his name was prescient of the life that God had planned for him.

The name Moses comes from the Hebrew word "moshah" - to be drawn out or taken out of the water. It points to unlikely and humble beginnings that God uses to weave His grand design.

I look back at my dad's life and see God's unmistakable handiwork - seasons of joy and laughter, mountain tops of victories and achievements and dark moments of trials and valleys - all lived out with an unshakable childlike faith. There was always a paradox to the way people perceived him. To people outside my family - he was Moses garu, Founder sir, Pedhayyagaru - a man who commanded respect, awe, kindness and to a few (rightfully so) - absolute fear. He was feared because of his convictions and his sheer power of will, and an uncompromising stance on social justice. To people in his family - he was a protective and loving husband to my mum, annaya to his brothers and sister - a brother who took on the role of a father after my grandpa passed away in 1967 and to us boys - a very loving and at times strict dad who always had a twinkle in his eyes when we walked into his office or needed him to be a referee in any of our fights.

Dad always called me Joema - he used to say I remind him of his mother. There are some memories in life that are just etched into your mind - they never fade away - they are visceral in the way they remind you of someone. One of those memories for me is from when I was about 3 years old. It was me sitting on my Dad's shoulder when he carried me around the London Zoo. My hands were only big enough to clasp his cheeks - my chin resting on his head and my arms at times hugging his face. Everytime I think of that memory which has always been so vivid in my head - I can recollect the smell of his hair and the way his cheeks felt in my hands, how his

shoulders felt. I always loved sitting on my Dad's shoulders when I was a kid. It felt like I was sitting on the shoulders of a giant. And that image is still true to this day. He was a giant among men. The lessons I learnt from my father's life have left an indelible mark on my personal and professional life.

My dad was never too busy for me - ever. I cannot think of or point to a single instance in my life when he never made time for me or my brother. I could always walk into his office anytime without stopping to think if I was interrupting his work. He never raised a finger on me. I remember hearing my friends in school talking and being terrified of getting smacked by their fathers if they got bad grades - I never had that fear. He always made time and always made it a point to call me and my brother atleast twice a day no matter where he was or how busy he was. I never fully appreciated this until I became a father myself. I look back with so much gratitude for having him as my role model. He always appreciated me being a single father. He would always say - Joema I'm so proud of you - I'm so proud of all that you are doing for Moses. I don't think my dad ever knew how much his affirmations meant to me. I will always hold those words - I'm so proud of you Joema - very dear to me. I fondly look back to the weeks that I spent with dad - just me and him in chennai. It was 4 weeks before I moved to the States for my undergrad and again in 2018 when I came to visit India for Sunny's wedding.

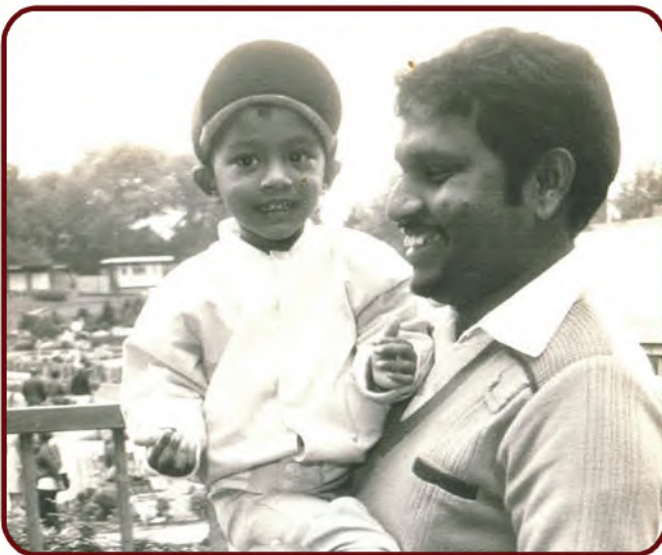

## Joseph Solomon Sikile - Tribute to his Dad - Founder M.J. Sikile

I loved hearing his stories about his days when he left India and went to Hong Kong and how he started his career in General Insurance as a broker. His struggles and his entrepreneurial exploits. It always amazed me how God took a young boy who dropped out of his bachelors degree from Y.N College in Narsapur and molded him into a businessman who founded the 2nd largest specialist Insurance brokerage firm in Hong Kong whose offices spanned multiple countries in Hong Kong, UK and Hawaii. Despite his monetary and financial success, my dad never forgot his humble roots. I always admired that he was a man who was untouched by money and all the luxuries that it could buy. He lived a simple life - all of his worldly belongings could be packed into a suitcase. He never forgot that his mother was once a young widow with 5 mouths to feed. I always remember if my dad saw any woman who lost her husband - had children to feed - he always gave generously to her. He knew the pain and he never turned a blind eye to it. I always saw in him a heart for the oppressed and downtrodden. He never let the lines of caste, creed or religion dictate how he gave opportunities for people or how charitable he was. I watched my father live with an unwavering courage of conviction. That quality imbibed every walk of his life. It was a conviction rooted in his absolute faith in God's sovereignty.

Every morning I remember him sitting down to do his devotions - reading from Oswald Chambers devotional - My utmost

## JOSEPH SOLOMON SIKILE - Tribute to his Dad - Founder M.J. Sikile

for his Highest and a few of his favourite Psalms. I remember him fighting numerous battles in his life with sheer power of will and determination - whether it was in establishing J Sikile school or stepping in to ensure the affairs of Bethany Church in Narsapur were managed with integrity. It did not matter who or what was opposing him - he would always forge ahead. If there was a cause that was right and if there was something important to fight for - he jumped right in and made it his battle and was never content to just watch from the sidelines. Justice was important to him. He never tolerated injustice. He fought his battles with integrity and he fought ruthlessly. I remember sitting with dad in my living room when he visited me in Canada back in 2022 - 2023. Since I never met my grandpa, I asked my dad - what was one thing he remembered about his father. He paused for a long time and he said - "he wanted all his children to be educated". That one sentence helped me put so many things about dad's life in perspective. I wondered what it was like for my father to lose his dad at a tender age of 20 - and to give up his education to provide for his family. It must have been very difficult, especially knowing that 50 years after his death, the one thing my dad remembered was his fathers desire that all his children should be educated. My father kept his promise and educated all his siblings.

I believe God honored his sacrifice and gave dad the vision to start J. Sikile School in 1984 - an institution that has shaped thousands of lives and continues to create a lasting impact. I will always miss my father and be ever so grateful for the unmerited blessing of being his son in this life. I will miss the many conversations that I will not have the opportunity to have with him. He ran his race in this life with integrity and perseverance. I believe the first words that he heard in eternity were - well done, good and faithful servant! I weep with hope that we will meet again in God's presence and rejoice together.

## Emmanuel P. Sikile - Tribute to his Dad - Founder M.J. Sikile

My dad's life was a testimony to the grace, love, and goodness of God. I'm filled with both sorrow and gratitude—sorrow because I miss him deeply, but gratitude because I had the privilege of knowing and being loved by a man of such great faith and character.

He was born in Narsapur in 1947 and came from humble beginnings. He lost his own father at the age of 20, and from that moment on, he took on the responsibility of caring for his entire family. He faithfully fulfilled his duty to his brothers and sisters.

He moved away from his family to support them, working his way through life in a new country, not knowing much at first. Yet he rose to build the second-largest MGA in marine insurance. For someone who came from a small town in South India back in the 1960s to underwriting contracts at Lloyd's of London is a testament to God's grace and to my dad's consistency and persistence in walking through the toughest situations. Throughout his life, my father showed us what it meant to have courage in the face of hardship and still remain honorable.

The name "Moses" means "to pull out or draw out of water," and I witnessed my father cling to God during life's deepest valleys. Time and again, I saw God's faithfulness sustain him.

His leadership in our home was marked by authority, love, patience, and wisdom.

One of the most precious gifts my father gave was his love. He loved his family deeply and gave generously to others. He never turned away anyone in need and always extended a hand to the poor and destitute. His heart was one of compassion and generosity. He built and funded an educational institution in the small town of Narsapur, which has gone on to change thousands of lives over the years.

God used him mightily in doing His work. I have vivid memories of my father faithfully reading Oswald Chambers' devotional *My Utmost for His Highest* without missing a day. Every morning, before he left the house, he followed his routine and devoted time to Bible study. He trusted in God even when life presented challenges or uncertainties. He didn't just talk about faith—he lived it. I saw it in the way he approached every situation with peace and assurance, knowing that God is sovereign.

Finally, I take comfort in the words of Job 19:25–27: 25

I know that my Redeemer lives, and that in the end he will stand on the earth

26 And after my skin has been destroyed, yet in my flesh I will see God

27 I myself will see him with my own eyes—I, and not another. How my heart yearns within me!

Dad, I am forever grateful for the lessons you taught me, the love you gave me, and the example you set. While I will miss you more than words can say, I know that this isn't goodbye—because we will be reunited in God's perfect timing. Until that day, I will carry your legacy of faith, courage, and love with me, living in a way that honors both you and the God you so faithfully served.

I love you, and I will miss you every day.

# Tributes to Uncle Moses

Here it is In Loving Memory of Uncle Mr. Moses Joseph Sikile, whom I dearly used to address as Unca, was a remarkable person who left an indelible mark on my life. We shared countless fond memories together, each one a testament to his loving and caring nature. Unca always insisted on manners and good habits, teaching me the importance of discipline and respect. Despite his seemingly strict demeanor, he had a heart of gold. His love and warmth were evident in the way he always made time for us as children, creating a nurturing and joyful environment. I had the blessing of hosting him at my place in Hyderabad, where we shared some truly wonderful times. Those moments are etched in my heart, and I will always cherish the fun and laughter we shared. Unca was an inspiration to me in many ways. His impact on my life is profound, and I will forever be grateful for the lessons he taught me and the love he showed. I will miss him dearly, but his memory will live on in my heart, guiding me and reminding me of the incredible person he was. Rest in peace, Unca. You will always be cherished and remembered.

## TRIBUTES TO MY FATHER-IN-LAW MOSES JOSEPH SIKILE

From the very first moment I met my father-in-law, Moses Joseph Sikile, I knew I was in the presence of someone truly remarkable. His smile carried both warmth and dignity, and his kindness was as effortless as it was genuine. Though accomplished and highly respected, he carried no trace of pride — only humility and a heart that embraced me as one of his own. Our bond grew stronger in the years that followed, especially during the precious time we spent in India caring for him.

Living by his side allowed us to truly know him — not just as the accomplished man admired by many, but as one of the most affectionate and genuine souls I have ever known. His warmth, his wisdom, and his unwavering generosity left an imprint on us that can never be forgotten.

To be his daughter-in-law is not simply a family connection — it is a title of honour that I will carry with immense pride all my life. Everywhere I go, when I am recognized as his daughter-in-law, I am treated with a special regard that reflects the deep respect people had for him. That respect has been extended to me, and it is one of the greatest privileges of my life.

My daughter, Grace Shiloh Sikile, is immensely blessed to have had a grandfather like him. The joy of watching her spend even a little time with him is an absolute bliss I will always hold close to my heart. Though she is young now, she will grow up carrying his name, his love, and his legacy within her.

We could never repay him for all that he has done for us — his guidance, his generosity, and his love. His absence leaves a void that cannot be filled, and I will miss him dearly. It is impossible for me to speak the name of my father-in-law, Moses Joseph Sikile, or even think of him, without my heart growing heavy and my eyes welling with tears. His absence is felt in every corner of our lives. As painful as it is, we must gather strength, hold fast to his memory, and move forward with courage. Yet, I remain proud to continue his legacy and to honour his memory in all that I do. Carrying his name as his daughter-in-law is, and will always be, my crown of pride.

# A TRIBUTE TO PEDUNCLE

## A LIFE OF LOVE, JOY, LEGACY, AND LASTING MEMORIES

Celebrating the remarkable life of a man I affectionately call Peduncle, my dear father-in-law. I would undoubtedly tag him as 'The most loving Sikile! '! That'll also be an understatement! Peduncle's smile was truly contagious. It was a smile that reached his eyes, a warm embrace that instantly made you feel welcome. From the moment I married into this family, I always felt

a profound sense of belonging, thanks to his loving nature! He had a deep appreciation for good food, and it was always my joy and privilege to cook for him, whether he was visiting us in Hyderabad or during our trips to Narasapur. He was a man of particular tastes, knew exactly what he liked. I remember our first wedding anniversary celebration in Narasapur. While every one else asked me if I was being a good wife to Sunny, if I was cooking well, and if Sunny enjoyed the food I made. Peduncle, on the other hand, asked me if Sunny was helping me with the household chores and cooking. I was truly amazed by his understanding of what it takes to build a home and how deeply he cared.

Peduncle has left us a treasure that will endure for generations: his boundless love, his incredible giving nature, and a lifetime of cherished memories. He had his own unique way of doing things, and even now, his presence and preferences can be felt in every corner of the house in Narasapur. I fondly remember how, upon our arrival, his first question would always be, "When are you going back, and why?" And we knew we'd better have a good reason for the "why"! He was immensely proud of his three boys, and he had every right to be. He often spoke with great pride about the men they had become, a testament to his incredible upbringing. What struck me most about Peduncle was his grace and calm in handling any situation.

He had a remarkable ability to navigate challenges with a quiet dignity that often diffused tension and simply made everything right. I saw how much he loved spending time with his family and investing in his home. Even when he was not feeling well enough to move around or travel, he always made time for his family. I thoroughly enjoyed his company and just him being around made us complete. One memory stands out vividly: the day he fed Eliana her first solid food. He gave a heartfelt speech, declaring, "She's a special girl, because a Sikile girl is born after 54 years." Peduncle was truly the star in every room he entered. He had a reason and a choice for everything – from the food on his plate to the curtains on the windows, how the glasses were arranged, and even how tea was served. And in all the years I've been part of this family, I've seen nothing change from his meticulous ways. I thank God for the life of Peduncle. Mostly for the way so many people have been blessed through him. But we feel calm believing that he is now in a better place, in The Father's home, always watching over us and smiling. We are grateful for his love, his wisdom, and the selfless way he nurtured and brought up his family. His legacy of love and the enduring warmth of his memory will forever live on in our hearts.

What my Mom Elizabeth today is because of his sacrificial love, care and affection towards his family, his sisters and brothers. **They lost their Father Mr. Joseph Sikile Sr when they were at a very young age**. It was the eldest Son of Mr Joseph Sikile and Mrs Pushpamma Sikile, M J Sikile who took up the responsibility of the entire family and played the role of a Father and today all his siblings are well settled and happy.

Inspite of the dire circumstances ahead, he never felt them as a burden rather he accepted them as his responsibility, being the eldest son in their family. He could have done this because of the **incessant and fervent Prayers of my Grandmother Pushpamma Sikile** and the way both his Parents brought him up in good Discipline teaching the values of Hard work and imparting Family values.

## TRIBUTES

*I'm the fifth grandson of Mr. T P Solomon Raj. Thattaya has always been there for all grandchildren all through schooling, and he made sure he saw it through that we even got married. Last time he got sick the only thing he was insistent on is to see my wedding, and he stayed a month right after, that shows you his will power. He was born in 1928 a few years after WW1, the beginning of great depression and the height of British rule.*

*He was a teenager during the freedom struggle and 19 when the country became independent, that gives you a perspective on what narratives he passed on to us. He loved to tell me stories about the times and difficulties he faced and was always curious about how it compared to contemporary times. His public work was of great importance to him and his work for the downtrodden and less fortunate was always appreciated by people coming to see him and thank him even decades after he left his public service.*

*He always insisted us grandchildren to give to the poor and care about the needy, the Christian understanding on being mere stewards of whatever you make.*

*He was an avid reader and encouraged me to read as many books as possible, be intellectually honest and curious. We always had debates about politics, religion and theology.*

*Knowing both of us we always ended up on the opposite end of the argument, but I never gave up trying to convince him otherwise to which he'd listen even if he wouldn't agree. He always learned and embraced technology and did a lot of reading online.*

*I will miss the long talks and the wisdom of the past but as Christians we celebrate life as we know that we're Sojourners in this world. I will end with a quote by Dietrich Bonhoeffer. He was a German Pastor who stood against the Nazi's and was executed. These were his last words "This is the end. For me, the beginning of life." So we celebrate Thattaya's life and will always thank God for giving and keeping with us a great gift for such a long time. - Grandson - Emmanuel P Sikile*

*He's a man with profound wisdom. He was a colossus on the firmament of the eminent Vizagites. A visionary who left no stone unturned In accomplishing his mission.*

*- Mrs. Dolly Knight, Admin., Timpany School*

*I thank Uncle for his kind support for many years without fail. His generosity will be remembered for a long time to come and a blessing to all the family members.*

*Uncle Solomon Raj garu was an enigma, a caring husband, devoted father and personnel administrator par excellence. He is of the order of the great William Carey whose motto was "Expect great things from God, attempt great things for God". I here by Dr. Samuel Sylvester - Senior and Chief Cardiac Anesthetist - Medway Heart Institute, Kodambakkam, Chennai. This mail is to congratulate Mr. M.J SiKILE on his 75th birthday. I congratulate you on the 40th anniversary of J.SIKILE SCHOOL and I wish a very happy 75th birthday to Mr. M. J.SIKILE who was founder of the school. I am very happy and congratulate you for planning to release a commemorative issue of J. SIKILE school magazine "INTO LIGHT" on this occasion. I have been associated with Mr. M. J.SIKILE and his family since I came into contact with them during my stay at Narsapur Christian Hospital. I become very close to him and to the whole family first as a physician and then as a family friend. We had a wonderful time at Narsapur sharing our close association and it continued even after I left the place and moved to Chennai. The same association continues till today even through times of sickness and stress. I am happy and Thank God Almighty for bringing me into this association. During my contact with Mr. M. J.SIKILE, I always admired and looked at him as a pioneer in starting the school in Narsapur. His contribution was immense from starting to this day, inspite of changes in the system of education. Through these changes, he kept his dedication at the top level, never faltering in contributing to the field of education whenever he was called to do so. Then, regarding the welfare services rendered for the benefit of the community, words fail me to number them. They are huge in number and fullest in measure to the extent of complete fulfillment of tasks. All those qualities made a significant impact on society around him.

He along with his family remained true as a friend and close associate. He is a leader and a visionary that energized others with two main keys creating the vision of the future and inspiring others to make vision a reality. His lifelong endeavors exemplify, unwavering commitment, empathy and an unyielding drive to bring about change within society and people around him. And above all, his faith in God Almighty and continued guidance through prayer makes him an exemplary person. I wish him a very "Happy Birthday" and pray to God to grant unto him many more years and bless him and his family.

### Remembering Moses uncle

My acquaintance with Moses uncle started in the year sometime in 1987. I met him during my 12th standard annual leave in Narsapur. Uncle was a man of few words and could judge a person just by looking at the person. My father Prof. Victor had a very good understanding of Moses uncle and Moses uncle had a very high regards for my dad. My dad was referred by Mr. Ram Mohan Das, my uncle who was the director of EDP, Chennai Port trust that time. Uncle treated us as a family and had high regards for my Dad and Mum. At the same time both Moses uncle and Uma Aunty had a parental affection for my parents. Uncle is a man of integrity and principles, He never compromised his principles and the way of living and he lived a simple but structured life. He is very loving and kind but may not be showing the love and affection explicitly. He is very compassionate and concerned about others. Uncle took care of my father and mum well, when they were in Narsapur. When my father Prof. Victor went to be with the Lord in 1988, Uncle was very supportive and he made sure that my father's death should not disturb our life. That time I was doing my B.tech, 1st year, 1st semester. Till date Moses Uncle's family is in touch with us. Uncle and Aunty wanted to honour my Dad Prof. S. Victor and made me part of the J. Sikile Foundation. We the family members of Prof. S. Victor, really blessed, Honoured and privileged to be part of uncle Moses' life. I Thank God for an opportunity to come across a wonderful, Loving, God fearing person like Moses Uncle in my life. All Glory, Honor and praise to Lord Alone.

## My Reflections

In 1984, J Sikile School was founded, coinciding with the beginning of my own educational journey. From kindergarten to the 10th grade, I had the privilege of completing my schooling at J Sikile School. Those years were invaluable in shaping me, fostering not only academic growth but also instilling important values, nurturing friendships, and fostering my overall personal development

Each day was filled with a blend of challenges, triumphs, and countless opportunities for growth. It's in this nurturing environment that students like myself have been encouraged to explore our interests, develop our skills, and embrace our unique talents whether it is our Science Teacher asking us to imagine space, English Teacher exploring different combinations of tenses, Telugu Teacher explaining the beauty of the language, History Sir explaining the marvels of our great culture, Maths Sir explaining the practical application of Trigonometry, Economic Sir introducing the GDP concepts - this list is endless and each teacher imbibed their passion to all of us in their respective subjects.

Our fondest memories are created during collaborating on projects, participating in extra curricular activities, or simply sharing laughs with classmates. The bonds formed at J. Sikile School undoubtedly left a lasting impression on all of our friends. I cherished my time with my friends and classmates participating in several science GK quizzes and elocutions playing in the PT ground, participating in annual day programs, having endless practice sessions or just studying together.

From acing a difficult exam to delivering performance on stage, each accomplishment is backed by all supporting teachers /staff and have reinforced the belief that with the right guidance, dedication and perseverance, anything is possible.

Reflecting on my time at J. Sikile School, I would recognize the pivotal role it played in shaping me into the person I am today. The teachers who inspired me, the friends who supported me, and the challenges that pushed me outside of my comfort zone all contributed to my growth and development. I can confidently say that the competency and the skills that all of us acquired at J Sikile school were nothing less than any famous schools in large cities. The lessons learned in my schooling years about teamwork, resilience, and the importance of lifelong learning continue to guide me in my personal and professional endeavours.

I would like to extend my sincerest wishes for continued success to J Sikile School. May it continue to be a beacon of knowledge and inspiration for generations to come.

Wishes

I deem it a privilege to felicitate Bro. Moses Sikile as he celebrates his 75th birthday. He and his family is known to me for the past 3 decades as my late husband Ram Mohan Doss was greatly associated with their educational institution SIKILE FOUNDATION SCHOOL at Narsapur, AP and helped them to become a pioneer in imparting COMPUTER education to the young people when such institutions were rare in those days. I had been to Narsapur and have witnessed their institution sincerely standing for Christ. During such time and also whenever I happened to meet Bro. Moses in Chennai, I have found him very active with deep rooted faith in God. A person driven by an inner dynamic force. You can never see him without a smile he has all the desired qualities. He has helped many poor students to come up in life. He is a very simple person approachable to all. It is a joy to see him celebrating his PLATINAM JUBILEE of his birthday. The success of his life and career is all due to his strong reliability on God and also due to his able, affectionate and supportive wife Uma Grace. God has blessed him with two sons and their families. May His goodness and mercy follow all the days of his life. I take this opportunity to wish him all well in the coming years too.

PROVERB : 9 11

7-5-1991వ తారీఖున టి. జాన్ రత్నంగారు యమ్, ఇరయ్య అను నాకు ఉద్యోగము నిమిత్తము జె.సికిలి స్కూల్ ఫౌండర్ సార్ గారి దగ్గరిరకు తీసుకుని వెళ్ళి ఉద్యోగము కోసం అడిగినప్పుడు వారు నా మీద జాలిపడి నాకు ఆఫీసు అటెండర్ ఉద్యోగము ఇచ్చారు. నేను ఉద్యోగములో జాయిన్ అయి 2023 జూలై నాటికి 32 సంవత్సరములు అయినది. నా యొక్క సర్వీస్ లో పెద్దయ్య గారు చేసినటువంటి మంచి పనులు ఎన్నో చూసాను.

పెద్దయ్య గారికి దేవుడు మంచి జ్ఞానము అనగా బైబిల్ లో సాలోమోను మహారాజు కి ఇచ్చినటువంటి మంచి జ్ఞానము దేవుడు పెద్దయ్య గారికి దేవుడే ఇచ్చి స్కూల్ ని అభివృద్ధి పరిచే ఆలోచనలు ఆయనకు ఇచ్చి స్కూల్ లో ఈ వస్తువు ఎక్కడ వుండాలి అని ఆలోచించి అక్కడ పెట్టేస్తారు. అంతేకాదు వర్క్స్ ని ఎలా చూడాలి అని మంచి ఆలోచన దేవుడు వారికి అనుగ్రహించాడు. పని వారికి ఏదైనా ఇవ్వాలి అనే ఆలోచన దేవుడు వారికి అనుగ్రహించారు. అది ఎంత మంచి ఖరీదు అయినా వస్తువైన వారికి ఇచ్చే మంచి మనసు దేవుడు వారికి ఇచ్చారు

కరోనా టైం లో కూడా జీతాలు ఇచ్చి వర్క్స్ ల కుటుంబములను ఆదుకున్నటువంటి మహానుభావులు పెద్దయ్య గారు బైబిల్ చెప్పినట్లు తన్నుతాను తగ్గించుకొనువారు హెచ్చరింపబడునని చెప్పిన ప్రకారము వారు ఎవరినైనా ఏమి పని చేయనప్పుడు వారు అనేమాట ఇదేమిటండి బాబు అనే మాట తప్ప ఏమి అనరు అంత తగ్గింపు మనసు దేవుడు వారికి ఇచ్చారు.

నేను పెద్దయ్యగారి కూడా మద్రాసు కు వెళ్ళాను అప్పుడు వారు బైబిలు చెప్పిన ప్రకారము నిన్నువలె నీ పొరుగు వారిని ప్రేమించు అను చెప్పినట్లు వారితో పాటు నాకు కూడా వారు తినే భోజనము పెట్టి వారు ప్రేమతో చూచేవారు. మద్రాసు నుండి ఇంటికి వచ్చేటప్పుడు నాకు కేక్ కొని ఇచ్చి నన్ను ఇంటి దగ్గర దింపేవారు. వారి పుట్టిన రోజున నరసాపురం వెళ్లి కొంత మంది సేవకుల గృహాలను దర్శించి వారికి కేక్ బాక్స్ లను ఇచ్చేవారు. వారు నరసాపురం నుండి వచ్చేటప్పుడు నేను మా చర్చి దగ్గర ఉంటే నన్ను పిలిచి నాకు స్వీట్ పాకెట్ ఇచ్చారు పెద్దయ్యగారు. పెద్దమ్మ గారి గురించి చెప్పాలంటే వారు నా పట్ల చేసే మంచి పనులు చాలా ఉన్నాయి కాని కొన్ని మాత్రం చెబుతాను. అవి అమ్మగారు నన్ను తల్లి ల ఆదుకున్నారు. నా కష్ట సుఖాలు గమనించి నాకు ఎన్నో సహకారాలు చేశారు. నా కుమార్తెను LKG to X Std. వరకు అన్ని బుక్స్ కొని నా కుమార్తె చదువు విషయములో సహాయ పడ్డారు గనుక నా కుమార్తె ఈ రోజున ఉన్నతమైన చదువు అనగా MSC చదివి కాలేజీ లో Physics Lecturer గ పనిచేయు చున్నది. అంతేకాదు నేను పాత సైకిల్ మీద వెళ్ళేవాడిని అమ్మ గారు అది గమనించి నాకు కొత్త సైకిల్ కొని ఇచ్చారు. మరియు నా కుమార్తె కు నా కుమారుడు కి School fee concession ఇచ్చి చదువు లో సహాయ పడ్డారు. నేను అమ్మ గారి కూడా వైజాగ్ వెళ్ళేవాడిని. బైబిలు చెప్పిన ప్రకారము నీతిమంతుని జ్ఞాపకము చేసికొనుట ఆశీర్వాదకరము అని చెప్పిన ప్రకారము అక్కడ అమ్మ గారి యొక్క నాన్నగారు T. P. Soloman Raju అయ్యగారు అమ్మ గారు వారి కుటుంబము నన్ను ఎంతో ప్రేమగా చూసేవారు వారిది చాల మంచి మనసు. Joe Babu, Emmy Babu నన్ను ఎంతో మర్యాదగా పిలిచి ప్రేమతో చూస్తారు.

పెద్దయ్య గారు, అమ్మ గారు నన్ను ఇంటిలో మనిషిలా చూస్తూ ఇంత వరకు నన్ను ఆదుకున్నారు. వారు ఈ స్కూల్ పెట్టి ఎన్నో కుటుంబాలను పోషించుచున్న మహానుభావులు వారికి నిండా వందనములు. వారి కుటుంబములను దేవుడు ఇంకా అత్యధికముగా ఆశీర్వాదించాలి అను పెద్దయ్య గారికి దేవుడు మంచి ఆరోగ్యమూ ఇవ్వాలి అని ఆ దేవుణ్ణి నిత్యము ప్రార్థించు చున్నాను. నా 32 సంవత్సరాల సర్వీస్ లో పెద్దమ్మ గారు ప్రేమతో చూచుకున్నారు గాని నా మనస్సును బాధ పెట్టే మాట నన్ను ఆ తల్లి ఎప్పుడు అనలేదు. నా జీవితాంతం వారిని నేను మరువ లేను. చిన్నయ్య గారు, చిన్నమ్మ గారు, సన్నీ బాబు నన్ను ఎంతో ప్రేమిస్తారు వారికి నా వందనములు చిన్నయ్య గారికి దేవుడు మంచి ఆరోగ్యము ఇచ్చి వారి కుటుంబమును దేవుడు ఆదుకోవాలని నిత్యము ప్రార్థన చేస్తాను.

## A LEGACY OF EXCELLENCE AND SERVICE HONOURING Mr. M. J. SIKILE

The story of Mr. M. J. Sikile is a remarkable testament to the transformative power of vision, hard work and an unwavering commitment to his roots. His life was a journey of success, philanthropy, and profound dedication to his hometown and its people.

Born to Mr. Joseph Sikile and Mrs. Pushpamma Sikile. Mr. M.J. Sikile was raised in a loving and blessed Christian family that nurtured his values of integrity, service, and compassion. He married Mrs. Umagrace Sikile a prayerful and graceful woman who along with her husband, became the cornerstone of their shared mission to uplift and transform their community. Mrs. Sikile, the current Director of J. Sikile School, continues to carry forward the legacy of our Founder's vision with grace and dedication.

In 1984, driven by his desire to give back to his community Mr. M.J. Sikile founded J. Sikile School in his hometown of Narasapur, West Godavari District. Over the years the school has grown into a premier institution in the twin Godavari Districts, nurturing generations of students and shaping the future of countless young minds. Under his stewardship, the school not only excelled academically but also became a beacon of hope and opportunity for the youth of this region. His leadership and vision set the foundation for a school that continues to thrive and inspire today.

Mr. M. J. Sikile's journey from his student life to a successful International Businessman and philanthropist is a story of perseverance and excellence. He became a respected name in the global business community, but he was never self-serving, it was always in service of his community, his family.

The passing of Mr. M. J. Sikile on 11th September 2024 marked the end of an era. His funeral service was held with great reverence, was a poignant moment for all who knew him. It was a testament to the profound impact he had on his community, his family, and all who were fortunate enough to cross his path. Tributes poured in from all corners, highlighting his legacy as a Philanthropist, a Visionary and a dedicated family man.

As we remember and honour the life of Mr. M. J. Sikile, we celebrate not just his extraordinary achievements but also the values he instilled in those around him, humanity, compassion and the unwavering belief that education is the key to brighter future. His life remains a guiding light for the students of J. Sikile.

*A saint's life is in the hands of God like a bow and arrow in the hands of an archer. God is aiming at something the saint cannot see, and He stretches and strains, and every now and again the saint says—'I cannot stand anymore.' God does not heed, He goes on stretching till His purpose is in sight, then He lets fly.*

*- Oswald Chambers*

Moses Joseph Sikile was a powerful instrument of God's purposes. He was a dedicated and a visionary businessman, who overcame his humble beginnings to become an indomitable agent of change in the field of education. His vision was rooted in the firm belief that education is a powerful tool of transformation and change in society. He sacrificially gave his time, talents, and resources to make his vision - "Education in pursuit of excellence" - a reality.

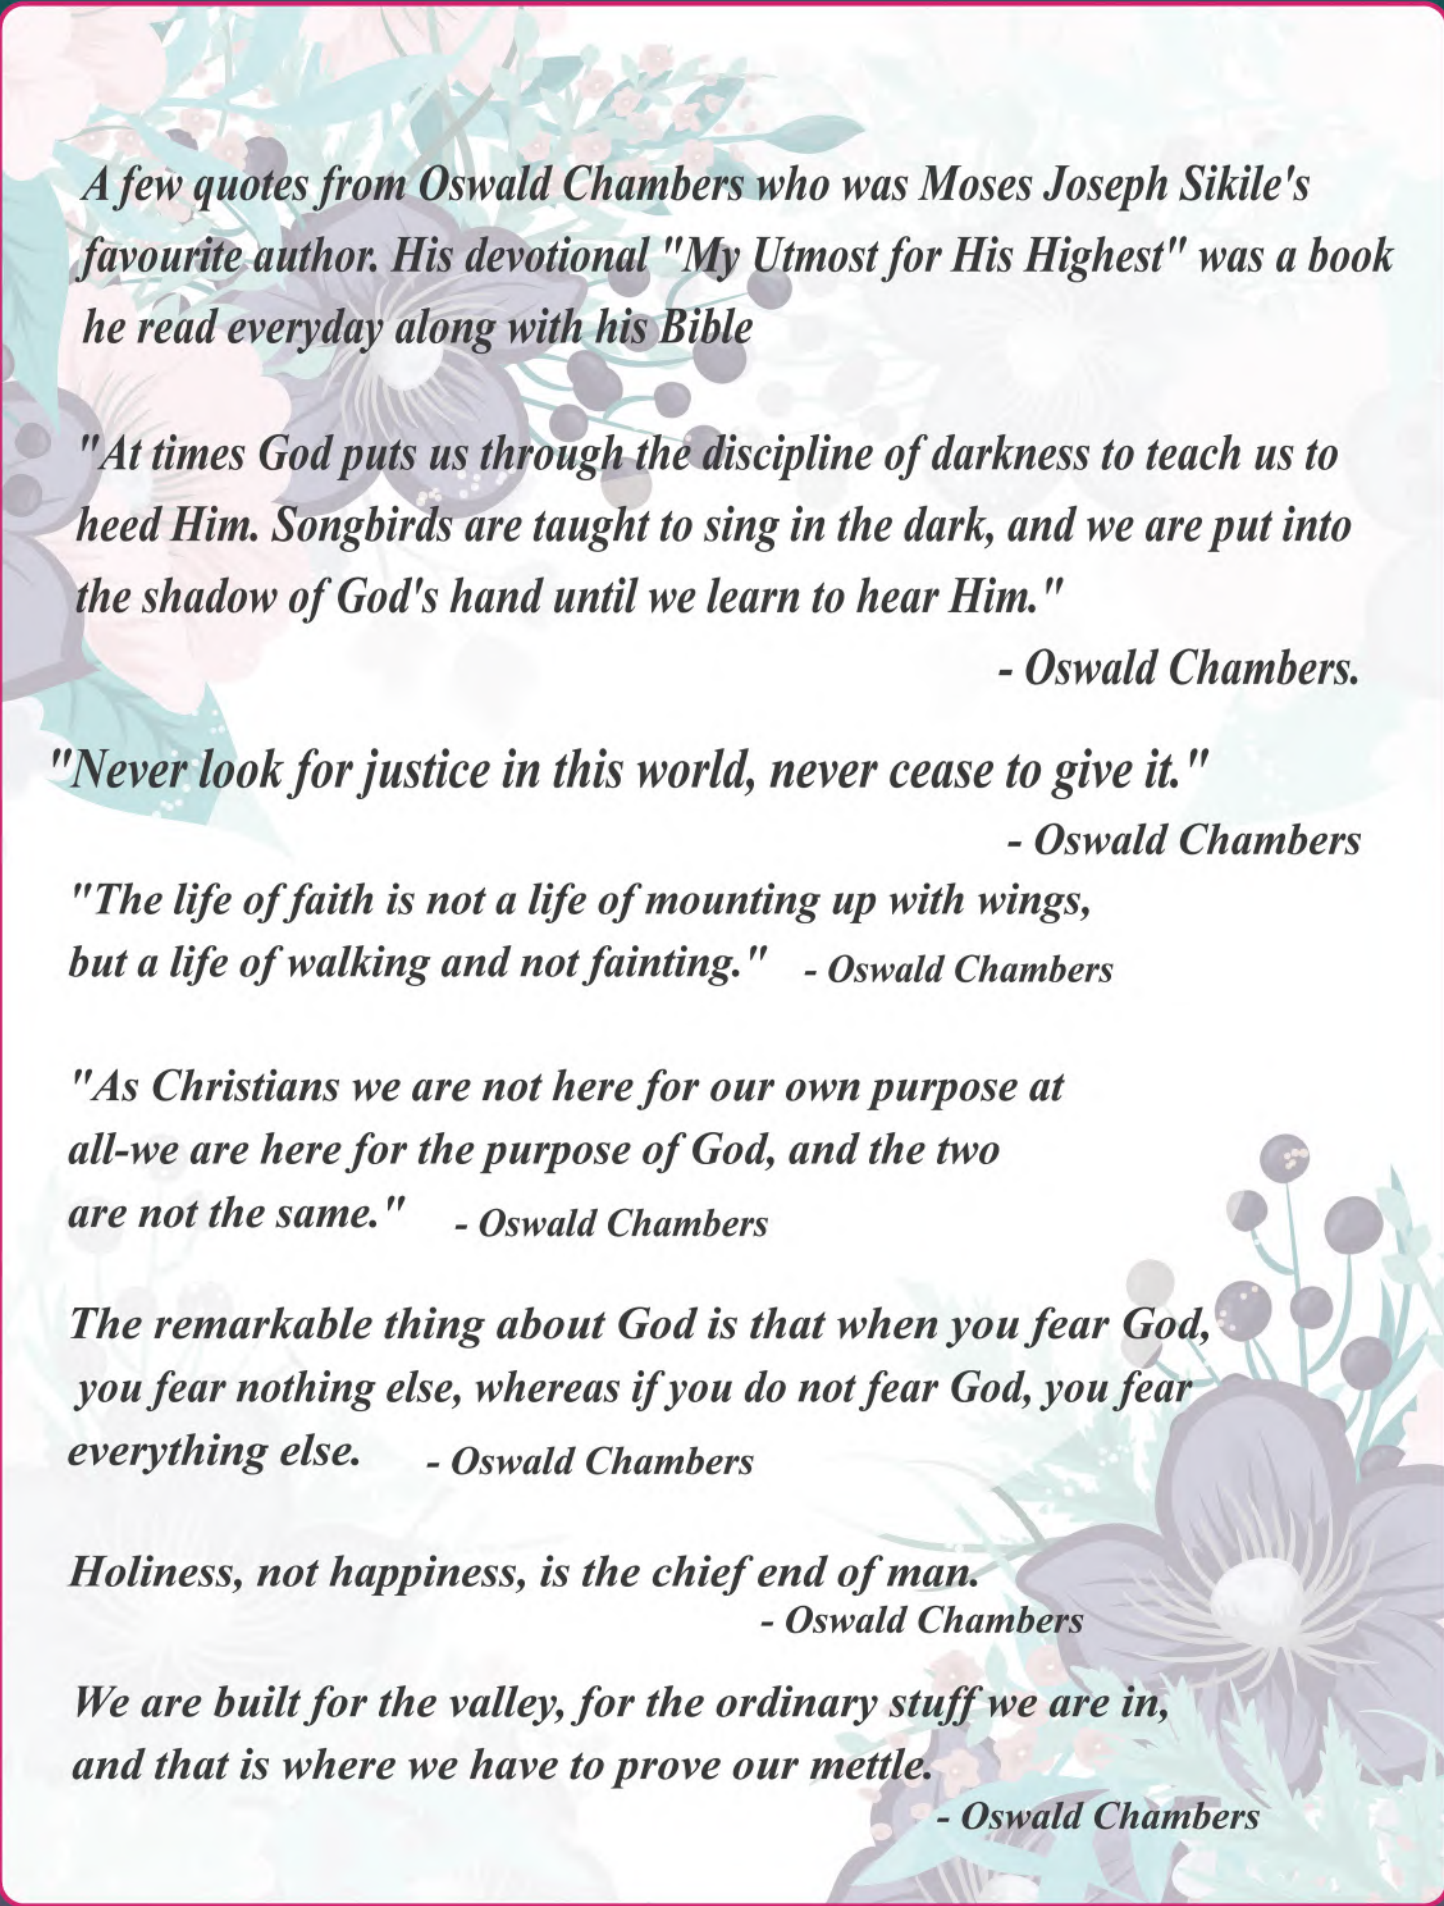

He was a faithful steward of God's blessings who lived a life of simplicity and gave generously to the poor and needy. He never retreated from any seemingly insurmountable challenges or threats and always forged ahead fearlessly with bold resolve regardless of who his opponents were.

He faithfully fulfilled his responsibilities to his family. He educated and provided for his brothers, sisters and fulfilled the dream of his father Joseph Sikile Sr, to see all his children educated. His father instilled values of hard work, persistence and purpose - these were values that he held on to all his life. His seeds of faith were sown and nurtured by his mother Pushpamma Sikile, his Sunday school teacher missionary Ms.Morgan, and missionaries Dr. Short, and Mr. Burt.

He was a devoted husband, a caring father and a doting grandfather who sacrificially gave of his love, time, affections and loyalty.

Moses Joseph Sikile will be dearly missed and his life is an inspiration to us all. He leaves behind a legacy that will echo through our lives and history for generations to come.

*A few quotes from Oswald Chambers who was Moses Joseph Sikile's favourite author. His devotional "My Utmost for His Highest" was a book he read everyday along with his Bible*

*"At times God puts us through the discipline of darkness to teach us to heed Him. Songbirds are taught to sing in the dark, and we are put into the shadow of God's hand until we learn to hear Him."*

*- Oswald Chambers.*

*"Never look for justice in this world, never cease to give it."*

*- Oswald Chambers*

*"The life of faith is not a life of mounting up with wings, but a life of walking and not fainting."*

*- Oswald Chambers*

*"As Christians we are not here for our own purpose at all-we are here for the purpose of God, and the two are not the same."*

*- Oswald Chambers*

*The remarkable thing about God is that when you fear God, you fear nothing else, whereas if you do not fear God, you fear everything else.*

*- Oswald Chambers*

*Holiness, not happiness, is the chief end of man.*

*- Oswald Chambers*

*We are built for the valley, for the ordinary stuff we are in, and that is where we have to prove our mettle.*

# Tributes to Founder Sir

I, K.V. Sharada Moses, Vice-Principal of this prestigious and esteemed institution take this privilege and honour and would like to express few words about our Founder sir. The incredible mentors who shape our lives we are reminded of the great responsibility and privilege that education brings. However,

launching the Souvenir 2022-24 carries a bitter sweet note as we remember and pay tribute to the guiding light of our Institution the late Mr. M.J. Sikile. Mr. M.J. Sikile was not just a Founder, he was a visionary, a leader a versatile and above all a deeply compassionate human being. He was the most influential person and mastered the art of Charishma. He lights up the rooms and automatically commands respect from people the moment he walked in. One thing that sets him apart is his tendency to follow the conventional norms which can be seen in his body language, tonality and presence. He believed in the transformative power of education not just as a tool for personal success but as means to uplift the society. He added undeniable value through his work and contribution in the field of education. He had unwavering determination and perseverance and faced challenges head on. As students and teachers of J. SIKILE SCHOOL we are the living legacy of his vision. His passion for society and education was more than a mission – it was his life's purpose. He built this institution as a beacon of hope, a place where dreams could take flight and where every individual could find their path to greatness. Although he is no longer with us, his values, his dreams and his zeal live on in every corner of the school. His guidance will forever remain our compass and his legacy will continue to inspire us for generations to come. He had a unique blend of traits by embodying the principles he held so dear, perseverance, compassion, benevolence, resilience and an unyielding belief in the potential of education. To conclude I would like to share a thought that resonates deeply with Mr. M. J. Sikile's legacy. "A True Leader's legacy is not measured by what they achieve but by impact they leave on the lives they touch".

I'm really shocked and felt scared when I heard the shocking news of my best and true bosom friend Mr. M J Sikile garu. My heart is crushed and sore and I am unable to think of this irrevocable loss of our beloved Moses garu. Indeed I was not dare enough to call you during that time but spoke with Nalini sister and bro. Percy Paul garu. It is no exaggeration that I was unable to think or sleep or talk freely to any one since then. I eagerly wished to come but my health state was not good to travel due to atrial fibrillation and high BP. now. Hence, I sent an eulogy to Mr. Gnana Prakash in the form of a song to be used in the funeral service of my dearest friend and a real hero Moses garu like Moses of the Bible, mam Sending my deepest condolences to you and all of the family members.

## Susan Grace, Former Teacher

Glory and honor to God in the highest my dear mam, 2. Timothy 4:7. I have a close bond with uncle's mother (Pushpa nayanamma) I used to visit along with my grandmother. My grand mother used to pray for uncle's marriage. Finally uncle got a gorgeous partner. You have an unique saree wearing style. It is blessing to have a partner like you.

Moses uncle is a great role model to so many. He did so much for his town. He loved the poor. His passion towards education increased his level. First CBSE school in my area with medical care and best staff. Uncle fond of discipline, neatness and freshness. By the big buildings with beautiful garden, transport, spacious classrooms, grace of God I got an opportunity to work in the beautiful atmosphere. People used to fear to face him....but he is so soft at heart. Praying for you and children.

Take care mam.

A tribute to Moses Sikile garu.

We were just thinking about his health who was admitted in a Hospital at Chennai. We are deeply shocked to know about the passing away of Moses Sikile garu. A great loss to to Sikile family and to all his relatives. A humble and quiet person in nature but very smiling and in his comfort zone always. We pray for the departed soul and offer deep felt condolences to entire family members and in particular to Percy Paul Sikile and his family.

As tributes went on from IAS, Officials, Bureaucrats, Church heads, School heads, it proved that he was a humble but multi talented person, which we did not know earlier. We are fortunate to have been to Narsapur to pay our last respects. May his soul rest in eternal peace.

At the very outset Greetings to Sikile Family at Large and JSF Institution.

I am grateful to God Almighty for Mr. Moses Sikile Sir's influence & impact as a mentor in the lives of thousands & thousands of successful people around the globe and even in my life. My gratitude ever remains.

As I express my Tributes, I am reminded of two quotes beautifully written with a colour chalk on a board with the heading 'Thought for the day' in front of Sikile School office 40 years ago.

First quote is "The journey of thousand miles begins with a single step". That single step of faith made Abraham 'Father of Nations' - Moses in the Bible as the 'Primary Builder of the Nation Israel' and Mr. Moses Sikile as a History Maker & Transformational Leader in the field of Education in Narsapur and beyond.

The second quote is 'Remembrance is the sweetest flower in the garden of thought'. When I remember Visionary Moses Sir, the Indelible imprints left by him in the sands of time are "Into Light" & "In pursuit of Excellence". These 2 Phrases - the motto of JSF speaks high voltage, heavy loaded volumes and is a clarion call to live a victorious life worthy of our calling.

Mr. Moses J Sikile is a A life well lived, A life which lived a legacy & left a legacy, A life which still speaks, continues to inspire and bless the generations to come.

God Bless.

Yours Comrade

Dear Umakka,

I'm so sorry to hear the sad news. Saw your tribute to Moses during the service and it is striking as to how amazing his vision for a school was. And to have the tenacity and determination to actually build an institution through the bureaucratic maze that dogs any such initiative in India is exceptional. It is truly extraordinary what you and Moses aimed for and achieved.

Moses was very nice to me on the occasions we met. You both of course kindly sent me money as a teenager; I cannot recall how long the period was for but I do remember the cheques sent with a note featuring your distinctive handwriting. Moses also took me out for a nice meal in Chennai in 2001 and we had a long evening chatting about politics etc. There was a time when we corresponded regularly, exchanging pieces to read, but (now looking back) think we lost touch when I switched email addresses. We also met at home in Delhi during one of his trips and during Sunjeet's wedding. He took the trouble to make the journey and attend our wedding, which was such a sweet thing to do. I may have missed recalling other interactions.

Wish we had chances to talk more. He was impressively purposive, evidently had a strong sense of ambition and calling, he built an institution and was much loved by his children. I'm so sorry for your loss; please convey my sympathies to Joseph and Immanuel.

Uncle Moses Sikile "He lived a life that truly reflected integrity, faith and service. His dedication to being accountable with his finances, during his tenure in Bethany Chapel, Narsapur, showed not only wisdom but a deep sense of responsibility, ensuring that everything he managed was done with care and fairness. His unwavering faith in God guided his every step and his life was a testament to the love and kindness that comes from a heart devoted to a higher purpose and his actions spoke louder than any words. Though he has passed, the legacy of his faith, service and integrity will continue to inspire all who knew him.

Ma'am we were in Hyderabad for 14 years, and recently moved to Hosur, Tamilnadu. Right now, I'm on vacation and planning to come to Narsapur. We'll visit you this week if you are there.

I'll always remain grateful to your family for considering me when I most needed the job. You've seen in me capabilities, which I never knew existed. You've elevated me to HM post and immediately after 4 months, appointed me as the first Vice-principal of Sikile School.

My first appointment was as the science teacher for Joey, who was in class 1. Whatever I'm now is because of what I learned under your able leadership. Students of Sikile School who studied under me are still in touch with me. We sometimes have conference calls. I'm indebted to you for life. Much water has streamed under the bridge after I've last seen you.

I can never repay you for what I received. The best gift I can offer is my sincere prayers. I'm overwhelmed to get in touch with you after many years, so I'm sending you the most lengthy message ever.

Sorry, I'm sharing my feelings at the wrong time.

I appreciate your time.

Always grateful, Uma

Uncle Moses Sikile was a man of few words, but each one carried thought, weight, purpose, and quiet vision. He walked faithfully in the direction of that vision steadfast, humble, and unwaveringly true. Much was accomplished in his lifetime, and the ripples of his work continue to bless many lives today. But for me and my family, it is not merely the milestones he achieved as a hard-working, self-made man that linger in our memories it is the man himself. What we hold most dear are the small, radiant things: his endearing smile, his gentle presence, his unwavering humility, his dignified demeanour, and the kindness that quietly overflowed from his heart. These were the treasures my parents and I cherished Uncle Moses never lived to impress. And perhaps nothing captured that better than his signature look: a plain white shirt and black or grey trousers, worn with consistent simplicity no matter the day or occasion. It brings a smile to think of how closely that mirrored my father's own style. I often wonder whether their simplicity rubbed off on one another! These were men that reflected a deep mutual respect and quiet admiration over the years. My earliest recollections take me back to a trip with my family to his Narsapur residence, and those spirited cricket matches with the boys—Joey, Emmy, and Sunny. The air would be filled with noise and laughter, yet Uncle Moses remained remarkably unperturbed, seated calmly amidst the din—unfazed, peaceful, deeply present. There was a unique aura about him, a quiet gravity that commanded respect—something I sensed clearly even as a 14 or 15-year-old. It left a lasting impression.

As an alumnus of J. Sikile College and a former hostel resident, one memory stands out vividly. During one of my quite loud guitar-and-singing sessions in my hostel room—using a guitar I'd borrowed from the warden—I was completely unaware that Uncle Moses was doing his infrequent rounds. Suddenly, I noticed him looking in through the window, standing a little apart. All of us froze, dreading what might come next. And then—came that disarming smile, followed by two simple words: "Keep singing." I've never forgotten that moment.

# Tributes to Founder Sir

encouragement so simply offered was deeply characteristic. Over the years, my parents shared a special bond with Uncle Moses and Auntie Uma—through visits in Chennai, long conversations, and heartfelt prayers offered for one another during times of illness. Their friendship was rooted in faith, warmth, and mutual care.

Even in his moments of physical weakness, when his condition was failing, his inner spirit remained strong. During my visits to his home in Chennai, Uncle Moses would make it a point to come and sit in the hall to engage in conversation even when what he really needed was rest. That was his way: giving of himself, always gently, always quietly. Though Uncle Moses is deeply missed, we joyfully celebrate a life that was so beautifully and faithfully lived. His legacy is not just in the institutions he built or the lives he shaped, but in how he made others feel—seen, encouraged, and deeply loved. For that, we are profoundly grateful. His light lingers—and it continues to shine... to be emulated.

Respected Uma Grace Madam,

I hope this message finds you in the strength to endure such a difficult time. My name is Dr. Kanakaraju Medicherla, PhD, currently serving as a Senior Scientist at Johnson & Johnson in Pennsylvania, USA. I had the honor of being a classmate of Emmy, and I still remember us sharing the same bench in the classroom.

It was with deep shock and sadness that I received the news of Mr. Moses Sikile's passing. My heartfelt condolences go out to you and your sons during this time of immense loss.

Mr. Moses Sikile was truly a global visionary, a man whose unwavering dedication and commitment to education transformed countless lives. By founding J. Sikile School, he not only built an institution but created a legacy, fostering generations of doctors, scientists, and engineers who are now impacting the world. His warmth, wisdom, and passion for nurturing global citizens will be remembered by all who had the privilege to know him.

I will always cherish the memory of his kind smile during his visits to the hostel. His presence was a source of inspiration to so many, and his legacy will continue to uplift and guide future generations.

## **MOSES J. SIKILE**

**UNFORGETTABLE MEMORIES**

**W**e went to the U.K. on a visit on 27<sup>th</sup> July 2024 and were happily staying with our daughter and son-in-law (Dr. Sowmya and Mr. Elisha Mani Keerthi Gundugollu) as our daughter was pregnant and expecting delivery. Exactly during such a happy time, we received a sudden, sad and shocking news from our nephew Mr. Merylin. We were deeply saddened by the heart-breaking news that my bosom and most dearest friend, **Mr. M.J. Sikile** (popularly known as M. J .Sikile) had passed away in Chennai on 11th September 2024.

All of a sudden, I became so dull as if my heart stopped breathing for a while. The bright lamp of our friendship had been put off. I felt like a part of me is missing. My mind was full of agony and confusion not understanding what was going on. I could not even concentrate on anything and I don't know if I could be happy anymore. My heart trembled when I wrote this. The very thought of this unforgettable and irrevocable loss made me mad with a thought that I cannot see my dearest and closest friend anymore. With his sudden departure, it seemed as if a generation of successful men with good ideals, effective leadership with vision and self discipline, self confidence, hardwork, dedication and courage with good conduct had come to an end.

After this very painful, distressing and unanticipated death, I found myself reminiscing or thinking back to the very beginning of our friendship and all the significant moments we had experienced together and sweet memories we have built overtime.

However, there is still some kind of confusion about how to start and from where to start my fondest past memories of our friendship over these years.

Infact, eventhough I had heard about him previously I saw him actually for the first time at the grand inauguration of J. Sikile School on 19th June,1984, when I attended the celebration along with my father-in-law late Mr. Tirapaiah Chadawalawada and my second brother-in-law Mr. Gnana Prakash Chadawalawada, an advocate, Narsapur and a close associate of Mr. M. J. Sikile's Family.

Further, I remember it was an evening in the middle of June, 1991, I saw him again. But this time, he came to see me along with Mr. Gnana Prakash Chadawalawada when I was hospitalized and receiving medical treatment for a severe typhoid fever in the special room of Narsapur Christian Hospital under special medical care of late Dr. C.R. Prabhakar, a kind and loving senior doctor and the then Superintendent of the Hospital. Mr. Moses J.Sikile talked to me so softly and enquired about my health. At that moment, I was captivated by his sparkling eyes and kind heart, though it was a for a short time.

That acquaintance gradually developed into a close, closer and closest and dearest friendship. He was my most beloved, honest, honourable, dependable and a true bosom and dearest and the best friend especially in adulthood I have ever had in my life.

Mr. Moses J. Sikile like Moses of the Old Testament was also an effective, trustworthy leader with discipline, dedication, hard-working, courage and commitment with unblemished character. Yet, he was humble and had the fear of the Lord. Perhaps, this virtue or goodness was inherited from his prayerful and humble mother, late Mrs. Pushpamma Joseph Sikile.

He was a well-known person, admired and respected not just within the Christian community in Andhra Pradesh, Telangana and Tamil Nadu but also across different communities and groups because of his contribution to quality education through J.Sikile ENGLISH Medium School and other philanthropic and charity deeds.

It is a common observation that many individuals may experience a decline in their religious devotion once, they achieve significant success or reach a position in life. But, Mr. M.J. Sikile was an exception in this regard. On many occasions, no matter how small, prayer and thanks-giving prayer meetings were held often at his house to which we used to attend.

And there is another general opinion that who studied here in India or abroad, once they obtain employment in a foreign country, they will not come back to their motherland. But Mr. M. J. Sikile was an exception in this aspect also.

### **His Birth :**

Mr. Moses J.Sikile was not born with a silver spoon in his mouth. He came from an ordinary but devoted, humble middle class Christian family where both parents were loving and caring and they had five children (three sons and two daughters). His father late Joseph Sikile worked with Dr. Edward S.Short, a missionary in Narsapur leprosy hospital and mother late Mrs. Pushpamma Joseph Sikile was a home maker and a prayer warrior.

### **Education :**

He was an intelligent and hard-working and well disciplined student. He was very curious about learning new things by reading regular English news papers, financial journals and different national and international books of great knowledge. He was very good at English in his school and college days. Thus, he sharpened his brain and improved his knowledge. Unfortunately, his father's untimely death was a challenging period , when he was in the final year of his B.Sc., degree in 1967. As the eldest son in the family he took up the entire responsibility of his mother and siblings. He came up in life by sheer hard work, a strong business plan, a deep understanding of the Financial management and strong leadership skills.

He established J. Sikile School in 1984 to provide a quality education in English Medium in this remote area of Narsapur with an inspiring motive - "Anna danam Param danam, Vidyadanamathah Param" means offering of food is great, the offering of education is even greater. While food satisfies only momentarily, education satisfies during the entire course of life.

Most of the students who studied at this school have settled well in various fields including Engineering, Medicine, Software Engineering and so on both at home and abroad. I can say proudly that our only daughter, Dr. Sowmya Rayi who is now working as a medical doctor in the UK was also a proud product of this great J.Sikile School. There were many occasions when some of those old students of this school who settled well abroad, happened to meet me and expressed their joy, when I visited foreign countries like KUWAIT, UAE, USA, UK, NEW ZEALAND and AUSTRALIA etc., as part of my Gospel meetings and conferences.

### **Friendship :**

Many of our friends were surprised at our friendship for the reasons known to them only. My answer as an explanation to them was always like this - Mr. Moses was my big brother, not by blood, but by spirit and heart. Our friendship was selfless, sincere, filled with mutual respect and affection and especially ours is a bond of love that goes beyond kinship.

It is natural to assume that way in today's society. Because according to the principle quoted by Karl Marx, a German born Philosopher, "All human relationships are economic relations". But this is not true and not applicable to our friendship. There was no room for such things between us. We always cherished and maintained our friendship in true sense. I thank God for giving me such a true friend who had been for me through good times and bad times. And he was also a good counsellor for me in many aspects.

In this context, I think it is appropriate to remember what the Roman philosopher, Cicero said about friendship, - "Friendship improves happiness and abates misery by the doubling of our joy and the dividing of our grief." Now, because, my true friend Moses J.Sikile is not with us and his absence left a vacuum in my heart. The very thought of his absence is hurting me very deeply and daily. This is no exaggeration to say that the realization that he is no longer with us, it still haunts me to this day. As a result, I have become very weak in spirit and strength.

### **A MAN IN WHITE (Symbolizing his character)**

Mr. Moses, no matter how rich and great he became, he always maintained a simple life style and remained as a humble person always wearing a white shirt. He was a man without imposture or deceitfulness. He was always a clean and pure person.

### **A BLESSED SON and an IDEAL HUSBAND**

He was a blessed son of his blessed and humble parents. He was an exemplary brother to all his younger siblings, an ideal husband to his loyal and faithful wife, and a best friend to his truthful friends. Thus, my friend, Mr. Moses Sikile was a man of high moral character endowed with many virtues. Here, one thing must be said about how he used to address his beloved wife, Mrs. Uma Grace Sikile with respect and honour by using the telugu phrase or word 'MEERU' ('YOU' - in the plural sense in English) during their conversation.

There were so many sweet memories I had with my friend Mr. Moses which are still fresh in my mind even though years had passed. Every time in a month, whenever he returned from Chennai, the commercial hub, to his home town, Narsapur he used to stop at and visit our house in Palakol to spend sometime with me. He would also present a cake in a box for us and sometimes he also used to bring some kind of important news article or a magazine for me to read. Then he would drink coffee, and after spending sometime he would depart. Here, the most important and unforgettable thing must be mentioned that whenever he visited our house, we would always make sure that, the entire surrounding was meticulously clean and tidy with thorough cleaning of the front floor, the stair way and the walls and beautifully setting a table on the portico to create a warm welcome to him.

However, somehow and somewhere a speck of dirt and dust which we could not find out and see that was clearly visible to his sharp eyes to our much surprise. That means, he wanted his friends' houses also should be as clean and neat as his own. He used to give importance to cleanliness for physical well-being and a healthy environment.

During Nineties often I used to go to Chennai to record Christian Hindi songs for Christmas and Easter programmes to be telecast on Doordarsan National Channel on behalf of the Gospel Association of India every year. On such occasions I would certainly meet Mr. Moses J. Sikile after finishing the recording work. We used to go out and have lunch together and then I would return to Palakol.

Now, I also would like to share another incident here. I was travelling from Bhimavaram to Chennai on 21st August, 1997 for my periodical heart checkup. I put an amount of Rs.33,000/- (Rupees Thirty three thousand) some clothes, all my old medical reports, all my music tracks on my cassette tapes and my new Passport in my suitcase and locked it securely with a chain and slept on my berth. When I woke up in the middle of the night, I realized that my suitcase was missing. I had nothing but my train tickets and 700 rupees in my shirt pocket. At that time, late Mr. Prasad who was one of his office staff at Chennai was also travelling with me. My friend Mr. Moses J. Sikile soon he got to know about this incident through Prasad and gave instant oral instructions over phone to the office staff in Chennai to arrange all necessary things for me including money, clothes etc., This way my journey began with pain and ended happily with the helpful nature of my friend Mr. Moses J. Sikile.

On another occasion, I was travelling to Singapore for Advanced Leadership Training in 2000 at Haggai International Institute, Singapore, he helped me in preparing for the visa slot booking as it was my first overseas trip. Not only that, he happily dropped me off at the Chennai Airport and wished me a happy trip and again he came to the airport along with his staff to give me a warm welcome home.

Furthermore, I have another sweet memory in my life with my friend, Mr. Moses J. Sikile when I was invited as one of the speakers at the Annual Christian Family Conference at New Jersey, USA under the leadership of Dr. David Chigurupati in 2008. Mr. Moses my friend stayed with me all day and night at his office in organizing all necessary documents just a day before my visa interview as I was once denied a visitor visa to attend TANA meetings in the USA in 2007.

Mr. Moses J. Sikile was a humble man with self confidence who excelled with utmost discipline, perseverance and devotion. His close friends like Dr. Vince Savarapu who studied with him he often used to say that Mr. Moses was an intelligent student in studies since childhood. Though, he studied B.Sc., degree, yet, his command over English language was excellent. He used to prepare his own drafting initially of legal matters even though an advocate was hired to handle them. He also used to take care of the accounts related to the office very strictly and efficiently on a par with chartered accountant. He was a man of honesty and commitment. He lived a good life as a straight forward, uncompromising person until the last breath of his life. In a crisis situation, I had suffered a sudden heart attack a decade ago and I was hospitalised in the intensive care unit at Care Hospital, Hyderabad. And at that time my brother-in-law Mr. Gnana Prakash Chadalawada was with me. As soon as my friend Mr. Moses J. Sikile came to know about this, he sent his faithful wife Mrs. Uma Grace Sikile to our house in Palakol that night and she stayed there with my wife till midnight and encouraged her, strengthened her and comforted her during that difficult time. This way, he used to step forward to help his close friends if they get into unforeseen trouble or crisis.

After narrating some of my experiences and some unforgettable sweet memories we enjoyed together, if I don't mention one thing, this entire article or writing will remain incomplete and unsatisfactory. What it means to say is - the invaluable services rendered by Mrs. Uma Grace Sikile, the wife, rather the better- half of Mr. Moses J. Sikile, when he had been seriously ill for a long time and he was not in a position to take care of himself, Mrs. Uma Grace Sikile rather his faithful wife, like his mother and as a primary care taker provided for all his physical needs like bathing, medication while offering emotional support. In a word, she managed his daily activities like dressing and hygiene with unwavering love and patience throughout the challenging times as the illness progressed. She did everything in an extraordinary way. We were all astonished at this and also witnesses to this along with his younger brother Mr. Percy Paul Sikile, the Correspondent of the School and Mrs. Nalini Percy Paul Sikile and all other staff and servants in the household. In this context, I think it is not inappropriate to remember a famous quote by Francis Bacon, known as the Father of the English Essay said about wives. - "Wives are young men's mistresses companion for middle age and old men's nurses." (of Marriage and Single Life). This is no exaggeration to say that this quote is quite suitable to Mrs. Uma Grace Sikile in true sense in this regard.

Finally, I think it would be good to remind ourselves once again of a well known truth about death. Everyone knows the truth that, death is certain for one who has been born as it is natural and inevitable aspect of life. If you understand this truth, why are you crying? No matter how, people cry over death, everyone experiences grief and sadness differently when someone dies. It is very difficult to bear the torch of grief, if the person who was considered as the most loved one, and the most bosom friend is no more. Kahlil Gibron, a LEBANESE writer and poet says, you are crying for the joy you have lost. He, further says, when you are sad you should look into your heart. Our grief is based on the void left in us by the departed soul. Infact, even though our loved one Mr. Moses J. Sikile is not physically present with us now, I firmly believe that he is safe in eternity because of his strong faith in Jesus Christ and his truthful life of good testimony. His memories will live on. Our love will continue. He (my friend Mr. Moses J. Sikile) will be with us in our hearts. Grief is inevitable and everyone experiences in a different way.

Therefore, as believers, we have faith in Jesus Christ, we should now live our lives in accordance with His teachings. Therefore, in order to console our hearts, let us remember the following verses from the Holy Bible that offer hope, encouragement and comfort.

Revelation : 21:4 says, "He will wipe away every tear from their eyes."

Psalms : 34:18 says, "The Lord is close to the brokenhearted and saves those who are crushed in spirit."

Psalms : 147:3 says, "He heals the brokenhearted and binds up their wounds."

The cited commemorative memoir about our friendship is presented in honour of my beloved friend Mr. Moses J. Sikile with tearful eyes and heavy heart.

Yours in His Vine -Yard,

## A Tribute from the HEART

It has been one of the greatest honors of my life to serve alongside Mr. M. J. Sikile, the visionary founder of J. Sikile Institutions, for over three decades. In my capacity as a Senior Legal Advisor and Board Member I had the rare opportunity to witness not only his leadership, but also his unshakable faith, compassion, and clarity of purpose. Mr. Sikile was a man of vision not for his own gain, but for the upliftment of generations to come. He founded this institution with a heart full of prayer, and with a mission to transform rural education through discipline, excellence, and moral foundation. Our relationship went far beyond board rooms and meetings. He was a brother, a friend, and a fellow servant of God. His daily morning phone calls would often begin with a cheerful, "Hello Prakash... what are your plans today?" And almost without fail, his very next question would be, "How is Mary doing? What's her health update?" Such was his heart thoughtful, caring, and deeply involved in the lives of those he loved. Even during times of personal health struggles, he made every effort to visit me when I was undergoing heart stenting, and later, visited my wife after her surgeries and chemotherapy sessions. Those visits were not just formal gestures they were moments of prayer, encouragement, and strength, given by a man who truly lived out his faith in action. His boldness and unwavering commitment were not limited to education alone. He played a significant role in the spiritual and structural upliftment of a 100-year-old Christian missionary church in Narsapur, and personally encouraged me to be a main part of that journey. He believed not only in building institutions, but also in building the Church and strengthening its foundations for the next generation. He was a multifaceted man, a true talent in drafting and delivering powerful speeches, always clear, purposeful, and deeply moving. Whether it was a boardroom discussion or a public gathering, his words carried wisdom, boldness, and grace. His commitment to every child's future, his sharp eye for detail, and his relentless pursuit of excellence in education made him one-of-a-kind. He carried himself with humility and grace, and he expected nothing less than the best from those who worked with him. I have seen this institution grow under his stewardship from a single building to a legacy that continues to impact thousands. His decisions were always prayerfully made, and his heart always leaned toward what was right, not what was easy. As a fellow traveler in this journey for over 30 years, I can confidently say his life was his message. Today, as we remember him, we not only mourn his passing, but celebrate a life that stood firm in faith, served without pride, and led with love. His legacy is not just in buildings or boards, but in the hearts of students, teachers, and families who were touched by his mission. May we continue to uphold the values he lived by and may J. Sikile Institutions forever reflect the light of the man who founded it. With deepest respect and enduring gratitude,

**Chedalavada Gnana Prakash**

## A Tribute to Our Beloved Founder – Mr. M. J. Sikile

As an alumnus of J. Sikile School and someone blessed to know Mr. Moses Joseph Sikile garu beyond the classroom, I feel honored to share a glimpse of how deeply he touched our lives not just as a founder, but as family. He was more than an educator he was part of our home, our beginnings, and our growth. A dear friend to my father, Gnana Prakash garu and a constant presence in our lives. His impact wasn't limited to academics it shaped our character, discipline and the way we view service and leadership.

I still remember the January mornings when he'd return from Chennai, bringing us Yearly Daily Bread and a special cake just for us small gestures that meant the world to us as children. While many students dreamt of sitting in the founder's car, I was fortunate to be dropped home by him when my parents were away, a memory etched deeply in my heart. From LKG to 10th standard, I spent every year under the roof of the very school he built with vision and prayer. Later, when I finished my BTech in Petroleum and shifted gears into photography and business, he stood by me once again this time as a mentor, guiding me with wisdom and belief. His signature look a white two-pocket shirt, black pant, neat to the last fold and his ever-punctual, composed presence is still fresh in my memory. His discipline, cleanliness, and time management were lessons I carry for life. I once tried to follow his exact dress code, hoping to reflect even a fraction of his elegance, but I couldn't quite pull it off. However, one thing I've been able to maintain ever since is wearing a well-ironed, properly folded outfit every single day a habit inspired by him. And in one of life's full-circle moments when he fell ill, I had the privilege of driving him all the way from Narsapur to Chennai by road. The very man who once drove me as a child was now in my passenger seat, resting, trusting and it meant everything (This is one of my most emotional connect to sir) Even during one of the toughest seasons of our family, when my mother was undergoing cancer treatment in Vellore, he never missed a moment to check on her every hour, every day. He found time to visit, to pray, and to care in ways that went far beyond what anyone could expect. That love, that concern, is something we will never forget. We, myself and my brother Pastor Michael Joseph Raja are so blessed Michael had the honor of being the Master of Ceremony at the funeral service of our most respected founder sir. It was not just a role it was a moment of deep gratitude, love, and honor from our entire family. All this... is because of my father, Gnana Prakash garu, who shared a bond with him like no other. I still remember the routine: early morning phone calls beginning with, "Hello Prakash how are you? What are your plans today?" That was their rhythm their connection and we, as children, witnessed it with admiration. We were not just educated under his leadership we were raised under his love. And now... though your chair is empty, Your presence fills every hall. Your words, your love, your discipline, We still remember it all. We loved you so much, sir. And today, we miss you even more. Your LEGACY lives in us.

A Christian funeral should be a coronation ceremony, a statement to the world about eternal life. Not only can God give us a tremendous sense of peace about our eternal well-being, but we can also find encouragement by considering what certain believers have said as they approached death, perhaps even when they were on their deathbeds.

### యవ్వన దశ

తల్లిదండ్రుల ప్రేరణతో, వారి ప్రోత్సాహముతో, వారి అడుగు జాడల్లో ముందుకు అడుగులు వేస్తున్న సమయములో... 1967 వ సంవత్సరం సెప్టెంబర్ 9 వ తారీఖున, అనగా సికిలే మోజెస్ గారికి 20 ఏళ్ల వయస్సు వున్నప్పుడు, మోజెస్ గారి తండ్రి గారైన శ్రీ జోసెఫ్ సికిలే గారు ప్రభువు పిలుపును అందుకొని దైవ సాన్నిధ్యం చేరుకోవటంతో తండ్రి గారు దూరమయ్యారు. ఇంటి పెద్ద సికిలే మోజెస్ గారే అయ్యారు. కుటుంబ బాధ్యత అనగా, తల్లి, ఇద్దరు చెల్లెళ్ళు, ఇద్దరు తమ్ముళ్ల బాధ్యత మోజెస్ గారి భుజాల పై పడింది. కష్టాల మబ్బులు కారు మేఘాల్లా కమ్మేశాయి. అప్పటి ఆర్థిక పరిస్థితి కూడా అంతంత మాత్రమే. అయినా, ఎదురైన ప్రతికూల పరిస్థితులకు క్రుంగిపోలేదు... అధైర్యపడలేదు... దేవుని యందు విశ్వాసముతో ముందుకు సాగారు. తల్లి పుష్ప గారి ప్రార్థనా సహకారముతో, దేవుని కృప తోడుగా... మెల్ల మెల్లగా ఒక్కొక్క మెట్టు ఎక్కుతూ విదేశాలలో వ్యాపారం ప్రారంభించారు. వ్యాపారములో నిలదొక్కుకున్నారు. వ్యాపారము లో తలమునకలుగా ఉన్నప్పటికీ కుటుంబానికి అండగా నిలిచారు. పెద్ద చెల్లి మిరియంను నర్సింగ్ చదివించారు. కానీ ఆమె అనతి కాలములోనే దైవసన్నిధి చేరుకున్నప్పటికీ, మరో చెల్లి ఎలిజబెత్ ను, తమ్ముళ్లు పెర్సీపాల్, డేవిడ్ గార్లను ఉన్నతమైన చదువులు చదివించి, వారికి వివాహములు జరిపించారు, వారి పట్ల ఆయనకున్న భాధ్యతను పూర్తిగా నెరవేర్చి, వారి ఉన్నత స్థాయికి శ్రమించి ఒక ఆదర్శవంతమైన మంచి అన్నగా నిలిచారు.

1982 వ సంవత్సరం మే నెల 26 తేదీన మోజెస్ గారికి శ్రీమతి ఉమా గ్రేస్ గారితో వివాహం జరిగింది. వీరికి ఇద్దరు కుమారులు జోసెఫ్ సికిలే, ఇమ్మానుయేల్ సికిలే. విశాఖపట్నం, భారత్ హెవీ ఫ్లెట్స్ అండ్

### జె. సికిలే స్కూల్ ప్రారంభం.

తల్లిదండ్రుల ఆశలు సాకారం చెయ్యవలసిన బాధ్యత తనదే అనుకున్న మోజెస్ గారు. సమాజ అభివృద్ధి కొరకు ఏదైనా చెయ్యాలని సంకల్పించారు. మారుమూల గ్రామీణ ప్రాంతాలలోని ప్రతి బిడ్డకు అత్యాధునిక ప్రమాణాలతో కూడిన విద్యను నాణ్యమైన ఆంగ్ల భాషలో అందించాలన్నదే ఆయన దర్శనం. సామాజిక, నాగరికత మరియు ఆర్థిక పురోగతి సాధించడానికి విద్య చాలా ముఖ్యమైనదని ఆయన ఎల్లప్పుడూ ధృఢంగా నమ్మేవారు. ప్రతి విద్యార్థికి నాణ్యమైన నైతిక విలువలతో కూడిన విద్యను అందించి , వారిని సమాజములో ఒక బలమైన బాధ్యతాయుతమైన పౌరులుగా తీర్చిదిద్దాలన్నదే ఆయన సంకల్పం. ఆ సంకల్పమే మోజెస్ గారిని విద్యా రంగం వైపు నడిపించింది.

నరసాపురం పరిసర మారు మూల ప్రాంతాలకు నాణ్యమైన విద్యను అందించాలన్న ఆయన ఆశయాల ప్రకారం... ఒక ఇంగ్లీష్ మీడియం స్కూల్ ఏర్పాటు చేస్తే బాగుంటుందని ఒక సాధారణ మేస్త్రీ ఇచ్చిన సలహాను శ్రీ. మోజెస్ గారు పరిశీలించారు. తాము చేసే పని నిర్మాణాత్మకంగా ఉండాలి, అది సమాజ అభ్యున్నతికి దోహదపడాలి అని ఆలోచించారు. పల్లె సీమకు నాణ్యమైన విద్యను అందించినట్లయితే, ఆ జ్ఞానం మూలముగా యువతరం చైతన్యం అవుతుందని, తద్వారా సమాజ అభ్యున్నతి సాధ్యం అవుతుందని భావించారు. ఆధునిక ప్రమాణాలతో నాణ్యమైన విద్యను నర్సాపురం ప్రాంత వాసులకు అందించాలని విప్లవాత్మకమైన నిర్ణయం తీసుకున్నారు. ఆ ఘన మేఘాల మీద పనులు ప్రారంభించారు. తల్లి ప్రార్థన సహకారాన్ని అంది పుచ్చుకొని, తమ్ముడు పెర్సిపాల్ గారి సహకారముతో, భార్య శ్రీమతి ఉమా గ్రేస్ గారి బలమైన ప్రోత్సాహముతో 1984 వ సంవత్సరం జూన్ 19 వ తారీఖున, తండ్రిగారైన జోసెఫ్ సికిలే గారి పేరు మీద "జె. సికిలే ఇంగ్లీష్ మీడియం స్కూల్" ను అప్పటి హోమ్ మంత్రి గా ఉన్న గౌ.శ్రీ. చేగొండి వెంకట హరి రామజోగయ్య గారి చేతుల మీదుగా ప్రారంభించారు. ప్రశాంత వాతావరణములో అన్ని వసతులతో కూడిన అత్యాధునిక భవంతులతో ఒక మహా అద్భుతాన్ని ఆవిష్కరించారు. విద్యా రంగములో కనీ వినీ ఎరుగని ఒక సంచలనం "జె. సికిలే ఇంగ్లీష్ మీడియం స్కూల్..!". డా. జాన్ రత్నం గారు చైర్మన్ గా, శ్రీ సికిలే పెర్సిపాల్ గారు కార్యదర్శిగా ప్రారంభించిన తొలి సంవత్సరంలోనే 424 అడ్మిషన్లతో ఈ విద్యామందిరం ఎన్నో విజయాలను చవిచూచింది. దేశములోని వివిధ

ప్రాంతముల నుండి ప్రజ్ఞావంతులైన అధ్యాపకులను ఎంపిక చేసి, వారిచే నాణ్యమైన, సంస్కారవంతమైన, క్రమశిక్షణతో కూడిన విద్యను బోధించి, నాణ్యమైన విద్యకు దూరమైన అనేక మంది విద్యార్థుల జీవితాలలో విద్యా వెలుగును నింపిన దేదీప్యమానమైన విద్యా దీపము - మోజెస్ సికిలే గారు. వశిష్ట గోదావరి తీరములో ప్రారంభించిన 'జె. సికిలే ఇంగ్లీష్ మీడియం స్కూల్' ప్రపంచ విద్యా రంగములోనే విశిష్ట స్థానాన్ని సంపాదించుకోడానికి కారణం మోజెస్ గారి చిత్తశుద్ధి, మరియు వారి వెనుక నడిచిన శ్రమతి ఉమార్గేస్ సికిలే సికిలే పెర్సిపాల్ గార్ల బలమైన నాయకత్వం అని చెప్పక తప్పదు. తూర్పు, పశ్చిమ గోదావరి మరియు కృష్ణాజిల్లాలో 'జె. సికిలే ఇంగ్లీష్ మీడియం స్కూల్' ఒక సునామినే సృష్టించింది. విద్యా రంగములో ఒక నూతన ఒరవడికకు నాంది పలికింది. ప్రారంభించిన మొదటి సంవత్సరమే బాల బాలికలకు హాస్టల్ ఏర్పాటు చెయ్యవలసిన పరిస్థితి ఏర్పడింది. విద్యార్థులకు రవాణా సౌకర్యం కోసం బస్సులను ఏర్పాటు చెయ్యవలసిన స్థాయికి ఎదిగింది. సంస్థ లక్ష్యం "వెలుగులోనికి" అక్షరాలా నెరవేరింది. ఆనాడు మోషే ఇశ్రాయేలీయులను ఐగుప్తు బానిసత్వములోనుండి ఎర్ర సముద్రమును దాటించిన రీతిగా, ఈనాడు మోజెస్ గారు ఈ ప్రాంతములోని అనేక మంది గ్రామీణ ప్రజలను అవిద్య అనే చీకటిలోనుండి విద్య అనే వెలుగులోనికి నడిపించారు. జె. సికిలే స్కూల్ కీర్తి పతాకాన్ని విశ్వ పర్యత శిఖరాన్ని చేర్చడానికి ఆయన చేసిన నిస్వార్థ పోరాటం, ఆయన కనబరచిన అంకితభావం, నిబద్ధత, పట్టుదల, నిబ్బరమైన మనసు, మరియు క్రమశిక్షణ అనిర్వచనీయం, ఎంతైనా ఆదర్శనీయం. విద్యారంగములో ఆయన నిర్ణయాలు, భావాలు, ఆలోచనలు భావితులకు గొప్ప స్ఫూర్తిదాయకం - ఎంతో ఆచరణీయం.

#### సేవా కార్యక్రమాలు.

తండ్రి లోని ఆలోచనలను, ఆయనలోని మానవత్వపు కోణాలను, ఆత్మీయతను ఆకళింపు చేసుకున్నారు మోజెస్ గారు. తండ్రి సేవాతత్వాన్ని పుణికిపుచ్చుకున్న మోజెస్ గారు, సాటి మనిషిని ప్రేమించటం, కష్టాలలో వున్నవారిని ఆదుకుని సాయం అందించటం అలవాటుగా మార్చుకున్నారు. దీనస్థితిలో వున్న పేదవారిని చూసి చలించిపోయేవారు. ఇది మోజెస్ గారిలో వున్న దాతృత్వపు, మానవత్వపు కోణం. ఈ మానవత్వపు కోణమే మోజెస్ గారిని ఒక్క విద్యారంగానికే పరిమితం చేయకుండా, మానవ సేవాకార్యక్రమాల వైపు నడిపించింది.

తల్లిదండ్రులు పేదవారి కోసం, సమాజం కోసం పరితపించే తీరు మోజెస్ గారిని ప్రభావితం చేసింది. పేదవారిని ఆదుకోవటములోను, సమాజ అభివృద్ధిలోనూ తల్లిదండ్రులకు మించి ఏదైనా చెయ్యాలని సంకల్పించారు. - "నిన్నువలె నీ పొరుగు వాని ప్రేమింపవలెను.." - అను దేవుని మాటను నెరవేర్చాలని నిర్ణయించుకున్నారు. అందుకే 1983 వ సంవత్సరములో తన తండ్రి గారి పేరు మీద "జె.సికిలే ఫౌండేషన్" ను స్థాపించి, అనేక సేవా కార్యక్రమాలు చెయ్యటం ప్రారంభించారు. రోగాలతో భాధపడుతున్న వారికి సహాయం చేయటం, పేదవారికి అండగా నిలబడటం, ఆకలితో వున్నవారికి ఆకలి తీర్చటం, వైద్య సదుపాయాలు

కల్పించటం, పేద మరియు అనాథ పిల్లలకు ఉచిత విద్య అందించటం లాంటి పలు సేవా కార్యక్రమాలకు నాంది పలికారు. క్రీడారంగాన్ని ప్రోత్సహించే లక్ష్యంతో ప్రతిభావంతులైన క్రీడాకారులకు ఆర్థిక సహాయం మరియు క్రీడా పరికరాలు కొనుగోలు వంటి కార్యక్రమాలు ఎన్నో చేసేవారు..

జె. సికిలే ఫౌండేషన్ ద్వారా హెచ్.ఐ.వి., కుష్టు రోగులకు మరియు దీర్ఘకాలిక వ్యాధిగ్రస్తులకు ప్రత్యేక సహాయం చేసి స్వాంతన కలిగించారు. ప్రాముఖ్యముగా క్యాన్సర్ భారిన పడి సరైన వైద్యం అందక ఆర్థికంగా ఇబ్బంది పడుతున్న వారికి ప్రత్యేకమైన వైద్య సదుపాయాలు అందజేసి, ఆర్థిక సహాయం చేయటం ద్వారా వారిలో ఆత్మస్థైర్యం నింపే సేవాకార్యక్రమాలు ఎన్నో చేశారు. వృద్ధులకు, వితంతువులకు సహితము ప్రతి నెల ఆర్థిక సహాయాన్ని అందించి వారికి అండగా నిలబడే కార్యక్రమాలు మరెన్నో చేశారు. అనేక మంది అంధులకు, దివ్యాంగులకు సైతం వారి సహాయాన్ని అందజేశారు. ప్రకృతి వైపరీత్యాలతో నిరాశ్రయులైన బాధితులకు సైతం వెన్నుదన్నుగా నిలబడి ఆర్థిక సహాయం అందించేవారు. అనేక మందికి అన్నదానం, వస్త్రదానం చేసిన మహోన్నత వ్యక్తి మోజెస్ గారు. ఇలా చెప్పుకొంటూ పోతే ఆయన సేవా కార్యక్రమాలు ఎన్నో అనే చెప్పాలి.

ఉదాహరణకు, 2020 వ సంవత్సరం, కరోనా మహమ్మారి ప్రపంచ దేశాలన్నిటిని కుదిపేసిన సమయం. అనేక దేశాలు, దేశములోని అనేక సంస్థలు కరోనా కర్కశత్వానికి చిక్కి, ఆర్థిక సంక్షోభముతో విల విలాడుతూ ఉద్యోగులకు జీతాలు ఇవ్వలేక చేతులెత్తేసిన రోజులు ఆ రోజులు. కానీ, మోజెస్ గారు మాత్రం, జె. సికిలే స్కూల్ లో పని చేస్తున్న 250 మందికి పైబడిన ఉద్యోగులకు ఏ ఒక్క నెల జీతం ఆపకుండా, ప్రతి నెల వారికి జీతం అందజేసి వారికి అండగా నిలబడిన మహోన్నత వ్యక్తి మోజెస్ గారు. అంత మాత్రమే కాక "కరోనా సహాయం" గా అనేక మందికి అనేక సార్లు నిత్యావసర సరుకులు, బియ్యం, కిరాణా, కాయగూరలు అందజేసిన పరోపకారి మోజెస్ గారు.

కానీ, ఆయన చేస్తున్న కార్యక్రమాలు అందరికీ తెలియడానికి ఇష్టపడేవారు కాదు. - "...నీ వైతే ధర్మము చేయనప్పుడు, నీ ధర్మము రహస్యముగా వుండు నిమిత్తము నీ కుడి చెయ్యి చేయనది నీ ఎడమ చేతికి తెలియక ఉండవలెను.." (మత్తయి 6 :3) అను యేసు మాటను బట్టి పబ్లిసిటీ కి దూరముగా ఉండేవారు.

### సంఘ పరిచర్య

తల్లిదండ్రులు ప్రార్థనపరులు కావటంతో.., బాల్యం నుండి దేవునియందు భయభక్తులతో కూడిన ప్రార్థనా జీవితమును మోజెస్ గారు కొనసాగించారు.. తల్లి తండ్రుల ప్రార్థనాప్రభావంతో సువార్త సేవను మరియు సంఘ పరిచర్యను కొనసాగించాలని నిర్ణయించుకున్నారు మోజెస్ గారు. ఆ క్రమంలోనే అనేకమంది సేవకులకు ఆర్థిక సహాయం అందించేవారు. ఆ సేవకుల ద్వారా సువార్త కూడికలు ఏర్పాటు చేసేవారు. సువార్త ప్రకటన పట్ల ఆసక్తి కలిగినవారై ముంబాయి నగరంలోనూ, ఢిల్లీ నగరంలోనూ సువార్త సంగీత కార్యక్రమాలు ఏర్పాటుచేసి

అనేకమందికి క్రీస్తు ప్రేమను ప్రకటించిన గొప్ప సువార్త పరిచారకులు. మందిరం నిర్మించుకునే సేవకులకు ఆర్థిక సహాయం అందించేవారు. సంఘ సువార్త నిధికి ధారాళముగా విరాళాలు ఇస్తూ సంఘ పరిచర్యను ప్రోత్సహించిన గొప్ప సేవకులు మోజేస్ గారు..

1982 సంవత్సరంలో బేతని సంఘంలో సిద్ధాంతపరమైన కొన్ని భిన్నాభిప్రాయాలతో బేతని విశ్వాసులు కొందరు సహవాసం నుండి వేరైపోయారు. అయితే అప్పటికి బేతని సంఘ సభ్యులుగా ఉన్న యవనస్తులైన సికిలే మోజేస్ గారు బేతని సహవాసాన్ని అంటిపెట్టుకొని సంఘ కార్యక్రమాలకు పేదల నిధికి ధారాళముగా చందాలిస్తూ సంఘ సేవను బలపరిచారు. సంఘ పరిచర్యను మరింత బలంగా ముందుకు తీసుకెళ్లారు. తద్వారా సంఘంలో మహాసభలు, సువార్త యాత్రలు, స్త్రీలకు మరియు యవనస్తులకు ప్రత్యేక కూడికలు క్రమంగా జరిగేవి. 1990 ప్రాంతంలో దేవుని చిత్త ప్రకారం పెద్దలు - విశ్వాసుల సహకారంతో బేతని థాపెల్ నాయకత్వ బాధ్యతలు స్వీకరించిన మోజేస్ గారు... సుమారు మూడు దశాబ్దాలు సంఘ కార్యనిర్వహణ బాధ్యతలు సమర్థవంతంగా, దేవునికి మహిమ కరంగా నిర్వహించి సంఘాన్ని ఆత్మీయంగాను... ఆర్థికంగానూ అభివృద్ధి పరచి... సంఘ ఆస్తులు అన్యాయంతో కాకుండా భద్రపరిచిన గొప్ప నమ్మకమైన సంఘ నాయకులు. బేతని మందిరాన్ని ఆధునీకరించే విషయంలో ఎంతో శ్రద్ధ వహించారు. ప్రస్తుత బేతని ఆలయ సుందర స్వరూపం మోజేస్ గారి కృషి ఫలితమే. వీరి హయములోనే బేతని సంఘ వజ్రోత్సవాలు 1999 వ సంవత్సరములో ఎంతో ఘనముగా దేవునికి మహిమ కరముగా జరిగాయి. సంఘం యొక్క కానుకల విషయంలోనూ, ఆర్థిక లావాదేవీల విషయంలోనూ చాలా కచ్చితంగా , యధార్థంగా ఉండేవారు. 30 సంవత్సరాల బేతని ఆలయ కార్యనిర్వహణలో ఆలయ నిధులు నిల్వ 1500 రూపాయల నుంచి 37 లక్షల రూపాయలు వరకు నిల్వ ఉంచగలిగారు అంటే మోజేస్ గారు ఆర్థిక వ్యవహారాలలో ఎంత కచ్చితంగా, ఎంత జవాబుదారితనంగా వుండేవారో అర్థమవుతుంది. ఈ విధంగా బేతని సంఘ పరిచర్య అభివృద్ధిలో మోజేస్ గారు చాలా కృషి చేశారు.

క్రీస్తు సువార్త సునాదమే ధ్యేయముగా గొప్ప దైవజనులైన శ్రీ ఆరార్కే మూర్తి, శ్రీ ఏ.బి మాసిలామణి, సి.ఎస్.ఐ బిషప్ శ్రీ టి.పి.డి ప్రకాష్ రావు, డాక్టర్ ఆనంద్ రావు సామ్యూల్, డాక్టర్ ప్రేమ సాగర్ మరియు శ్రీ సత్కీర్తి, శ్రీ కాకి నతానియేలు, శ్రీ క్రిష్టాఫర్, సి.ఎస్.ఐ అధ్యక్షులు తాలిబుద్దీన్ లాంటి అభిషిక్తులైన సేవకులతో సహవాసం చేస్తూ వారి సహవాసంలో దేవుని రాజ్య సువార్త వ్యాప్తికి ఎంతో కృషి చేసిన క్రీస్తు సువార్తికులు మోజేస్ గారు. ఈ విధముగా యధార్థమైన... ఉదారమైన... జవాబుదారీ తనముతో కూడిన దేవుని సేవలో అనేక మందికి ఆదర్శంగా నిలిచారు.

సుగుణాలు.

తల్లితండ్రుల యొక్క ప్రార్థనాజీవితం, వారు నేర్పిన నైతిక విలువలు మోజెస్ గారిని ఒక విభిన్నమైన వ్యక్తిగా మార్చాయి. సమయస్ఫూర్తి, సమయాభావం, క్రమశిక్షణ ఆయనకున్న ప్రత్యేక స్వభావాలు. నిబద్ధత, అంకిత భావం, చిత్తశుద్ధి ఆయనకున్న విలక్షణాలు. తండ్రి జోసెఫ్ గారి వ్యక్తిత్వబలం మోజెస్ గారిపై ప్రభావం చూపింది. సంకల్ప శక్తి, చేయవలసినది చేయాలనే పట్టుదల కలిగి ఉండటం నేర్చుకున్నారు. మరీ ముఖ్యముగా, ఎదురయ్యే కష్టాలకు, సవాళ్లకు భయపడని నైజం మోజెస్ గారిది. ఎలాంటి సవాళ్లనైనా నిబ్బరంగా ధైర్యముతో ఎదుర్కొని వ్యూహాత్మక ప్రణాళిక ద్వారా గెలిచే సాహసం, దృక్పథం మరియు కార్యాచరణ కలిగిన వ్యక్తి. ఎలాంటిపరిస్థితి అయిన తల వంచని సాహస ధీరుడు మోజెస్ గారు.

మోజెస్ గారి ప్రస్థానం అంత సులువుగా ఏమి సాగలేదు. తండ్రి మరణం తరువాత ఎదురైన వయసుకు మించిన కుటుంబ బాధ్యతల బరువు, కారు మబ్బులాంటి కష్టాలు, వ్యాపారములోను, విద్యా వ్యవస్థలోనూ ఎదురైన సవాళ్లు అన్నీ ఇన్నీ కావు. అయినా, మోజెస్ గారు భయపడలేదు. వెనకడుగు వెయ్యలేదు. ధైర్యముతో ముందుకు సాగారు... అనుకున్నది సాధించారు.

నీతి న్యాయాలకు చాలా ప్రాధాన్యత ఇచ్చేవారు. కలలోనైనా న్యాయం తప్పకూడదు అనేది మోజెస్ గారి సిద్ధాంతం. అన్యాయాన్ని ఏ మాత్రం సహించే వారు కాదు. ఆయన న్యాయ పక్షపాతి. న్యాయం కోసం ఎంతటి పోరాటానికైనా సిద్ధపడేవారు. న్యాయం పక్షాన నిలబడే వారు, న్యాయం జరిగే వరకు అలుపురగని పోరాటం చేసే వారు. పారదర్శకంగా జీవించాలి, యాధార్థంగా బ్రతకాలి అన్నదే మోజెస్ గారి తపన.

ముక్కుసూటితనానికి... నిర్మోహమాట ధోరణికి మోజెస్ గారు ప్రసిద్ధులు. సమాజం అభ్యున్నతి సాధించాలని సంకల్పించారు... ఆశయాల సాధన కోసం అహర్నిశలు శ్రమించారు. ఆయన వ్యక్తిత్వం, మాటతీరు, భావాలు కూడా ఓ ప్రత్యేకం. ఆయన నిర్ణయాలు, ఆలోచనలు, సేవలు, సాధించిన విజయాలు చరిత్రలో చిరస్మరణీయం... భావితరాలకు స్ఫూర్తిదాయకం.

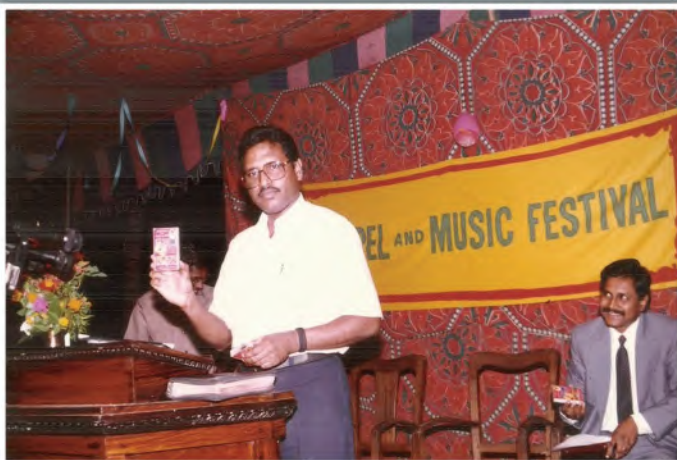

మంచి పోరాటము పోరాడి.., ఆయన పరుగు కడ ముట్టించి.., విశ్వాసము కాపాడుకుని.., మంచి కుమారునిగా... మంచి అన్నగా... మంచి భర్తగా... మంచి తండ్రిగా... మంచి నాయకునిగా... చేయుటకు దేవుడిచ్చిన పని సంపూర్ణముగా నెరవేర్చి భూమి మీద దేవుని మహిమ పరచి.., 2024 సెప్టెంబర్ 11 వ తారీఖున ప్రభువు పిలుపునందుకుని ఆయన స్థిర నివాసానికి చేరిన దేవుని వారసులు.. పరలోక నివాసులు.. విశ్వాస వీరులు కీ. శే. సికిలే మోజెస్ గారు. ఆయనను జ్ఞాపకం చేసుకోవడం మనకు ఎంతైనా ఆశీర్వాదం.

## ఆదర్శవనమాలి

మా తృదయాల్లో వెలుగైన దీపం  
మా మార్గిల్లో నిలిచిన దివి దీపం  
మీరు లేరు - కానీ మీ స్ఫూర్తి  
ఎప్పటికీ మాతోనే ఉంటుంది.

కాలం ఆపలేకపోయింది మీ జ్ఞాపకాన్ని  
మా జీవితాల్లో కన్నీరు తెప్పించిన రోజు  
కానీ మీ సేవలు మాకు శాశ్వత స్ఫూర్తినిచ్చినవి  
మీరు చేసిన ప్రతి పని - మాకు ఒక పాఠం  
మీరు ఇచ్చిన ప్రతి మాట - ఒక ప్రేరణ  
మీరు వెళ్ళిపోయిన - మీ జ్ఞాపకాలు మా చుట్టూ  
-- గుండెల్లో నిలిచే ఉన్నాయి.  
మా వెన్నంటి ప్రాప్తమై ఉన్నాయి.

## క్రాంతి కిరణం

సమయం గడుస్తూనే ఉంది

కానీ మీ జ్ఞాపకం మాయలేదు  
గడియారం ఆగిపోవచ్చు  
కానీ మీ జ్ఞాపకాలు ఎప్పటికీ ఆగవు -  
మీరు చూపిన మార్గం - మా జీవన పయనం  
మా గుండెల్లో శాశ్వతంగా నిలిచి ఉంటుంది  
ఆ పయనంలోనే మా ప్రయాణం నడుస్తుంది.  
మీరు చేసిన ప్రణాళికలు మాకు ఆదర్శ మార్గాలు  
ఆ మార్గంలోనే మా నడకలు.

**Into Light from Darkness,

May the Light of God Lead us.**

## **VISION : INTO LIGHT**

J. Sikile School is committed to create a dynamic learning environment that promotes academic achievement, fosters positive attitude, intellectual curiosity, develops good character and empowers students to communicate effectively to become confident, and responsible citizens of the future.

## **MISSION : EDUCATION IN PURSUIT OF EXCELLENCE**

J. Sikile School is a partnership with the Community of Students, Parents and Teachers to provide quality Education in a challenging environment that develops the potential of every student, encourages self-discipline, motivation, excellence in learning with spiritual, moral values of honesty and integrity.

I look back at my dad's life and see God's unmistakable handiwork - seasons of joy and laughter, mountain tops of victories and achievements and dark moments of trials and valleys - all lived out with an unshakable child like faith. There was always a paradox to the way people perceived him. To people outside my family - he was Moses garu, Founder sir, pedhayyagaru - a man who commanded respect, awe, kindness and to a few (rightfully so) - absolute fear. He was feared because of his convictions and his sheer power of will, and an uncompromising stance on social justice.

**- Joseph Solomon Sikile**

Dad, I am forever grateful for the lessons you taught me, the love you gave me, and the example you set. While I will miss you more than words can say, I know that this isn't goodbye because we will be reunited in God's perfect timing. Until that day, I will carry your legacy of faith, courage, and love with me, living in a way that honors both you and the God you so faithfully served. I love you, and I will miss you every day.
