02. **NATIONAL EDUCATION POLICY (NEP) 2020:** The National Education Policy (NEP) 2020 is a transformative initiative to usher India to prepare itself to meet the challenging demands of a 21st century knowledge society.

The National Curriculum Framework for School Education 2026 – (NCF-SE):

NCF-SE is one of the key components of NEP 2020, that enables and energises this transformation, to provide the highest quality education for all children, consistent with realising an equitable, inclusive, and plural society as envisaged by our Constitution.

This NCF-SE has divided the school curriculum into four Stages as per the recommendation of NEP 2020.

- a) **BALAVATIKA – 1:** Children aged 3+ years as of 31st March 2026.
 - b) **BALAVATIKA – 2:** Children aged 4+ years as of 31st March 2026.
 - c) **BALAVATIKA – 3:** Children aged 5+ years as of 31st March 2026.
 - d) **STANDARD – I:** Children aged 6+ years as of 31st March 2026.
03. **ASSESSMENT AND EVALUATION PRACTICES OF THE BOARD FOR THE SESSION 2026-27:** The Board in accordance with National Education Policy, 2020 has taken multiple steps towards implementation of Competency Based Education in schools. The main emphasis of the Board is to create an educational ecosystem that would move away from rote memorization and towards learning that is focused on developing the creative, critical and systems - thinking skills of students to meet the challenges of the 21st century.

09. **DIGITAL LEARNING – ACCESSIBLE AND PERSONALIZED FOR EVERY STUDENT:**

We are delighted to inform you that **J. SIKILE SCHOOL** has successfully installed **37 Digital Boards** in the classrooms for the **Academic Year 2026–27** and plan to complete the installation in all classrooms this Academic Year 2026-27 so that every classroom is equipped with a Digital Board empowering students to become active participants in their own learning journey.

Our teachers are now conducting daily lessons using these interactive digital boards, making classroom learning more engaging, innovative, and effective. The digital boards enable teachers to present concepts through videos, animations, presentations, diagrams, and a wide range of educational apps, helping students understand lessons more clearly and develop greater interest in learning.

This digital initiative offers several benefits to our students:

- Interactive and student-centered learning experiences.
- Better understanding of concepts through visual and audio content.
- Learning through a variety of educational apps and digital platforms that support the curriculum.
- Increased classroom participation and engagement.
